Each Holder and each Beneficial Owner, upon acceptance of any ADSs (or any interest therein) issued in accordance with the terms of this Deposit Agreement, shall be deemed for all purposes to (a) be a party to and bound by the terms of this Deposit Agreement and (b) appoint the Depositary its attorney-in-fact, with full power to delegate, to act on its behalf and to take any and all actions contemplated in this Deposit Agreement, to adopt any and all procedures necessary to comply with applicable law and to take such action as the Depositary in its sole discretion may deem necessary or appropriate to carry out the purposes of this Deposit Agreement (the taking of such actions to be the conclusive determinant of the necessity and appropriateness thereof).

(a) Receipts in certificated form shall be substantially in the form set forth in Exhibit A annexed to this Deposit Agreement, with appropriate insertions, modifications and omissions, as hereinafter provided. Receipts may be issued in denominations of any number of American Depositary Shares. No Receipt in certificated form shall be entitled to any benefits under this Deposit Agreement or be valid or obligatory for any purpose, unless such Receipt shall have been executed by the Depository by the manual or facsimile signature of a duly authorized signatory of the Depository. The Depository shall maintain books on which each Receipt so executed and Delivered, in the case of Receipts in certificated form, and each Receipt issued through any book-entry system, including, without limitation, DRS/Profile, in either case as hereinafter provided and the transfer of each such Receipt shall be registered. Notwithstanding anything in this Deposit Agreement or in the Receipt to the contrary, to the extent available by the Depository, American Depositary Shares shall be evidenced by Receipts issued through DRS/Profile unless certificated Receipts are specifically requested by the Holder. Holders and Beneficial Owners shall be bound by the terms and conditions of this Deposit Agreement and of the form of Receipt, regardless of whether their Receipts are certificated or issued through DRS/Profile.

(b) Subject to the limitations contained herein and in the form of Receipt, title to a Receipt (and to the American Depositary Shares evidenced thereby), when properly endorsed (in the case of certificated Receipts) or upon delivery to the Depository of proper instruments of transfer, shall be transferable by delivery with the same effect as in the case of a negotiable instrument under the laws of the State of New York; provided, however, that the Depository, notwithstanding any notice to the contrary, may treat the Holder thereof as the absolute owner thereof for the purpose of determining the person entitled to distribution of dividends or other distributions or to any notice provided for in this Deposit Agreement and for all other purposes and neither the Depository nor the Company will have any obligation or be subject to any liability under the Deposit Agreement to any holder of a Receipt, unless such holder is the Holder thereof.

SECTION 2.3            Deposits. (a) Subject to the terms and conditions of this Deposit Agreement, and the ASX Settlement Rules, CUFS or evidence of rights to receive CUFS (other than Restricted Securities) may be deposited by any person (including the Depositary in its individual capacity but subject, however, in the case of the Company or any Affiliate of the Company, to Section 5.7 hereof) at any time, whether or not the transfer books of the Company or the CUFS Depositary (or the appointed agent of the CUFS Depositary for transfer and registration of the CUFS), are closed, by Delivery of the CUFS (which may include delivery by electronic transfer through the facilities of CHES or otherwise) to the Custodian. No CUFS shall be accepted for deposit unless accompanied by confirmation or such additional evidence, if any is required by the Depositary, that is reasonably satisfactory to the Depositary or the Custodian that all conditions to such deposit have been satisfied by the person depositing such CUFS under the laws and regulations of Australia and any necessary approval has been granted by any governmental body in Australia or Ireland, if any, which is then performing the function of the regulator of currency exchange. The Depositary may issue Receipts against evidence of rights to receive CUFS or Shares from the CUFS Depositary, the Company, any agent of the Company or any custodian, registrar, transfer agent, clearing agency or other entity involved in ownership or transaction records in respect of the CUFS or Shares. Without limitation of the foregoing, the Depositary shall not knowingly accept for deposit under this Deposit Agreement any CUFS if such CUFS, or the Shares underlying such CUFS, would be required to be registered under the provisions of the Securities Act of 1933, unless a registration statement is in effect as to such CUFS or Shares as applicable. The Depositary will use commercially reasonable efforts to comply with reasonable written instructions of the Company that the Depositary shall not accept for deposit hereunder any CUFS specifically identified in such instructions at such times and under such circumstances as may reasonably be specified in such instructions in order to facilitate the Company's compliance with the securities laws in the United States.

(b) As soon as practicable after receipt of any permitted deposit hereunder and compliance with the provisions of this Deposit Agreement, the Custodian shall present the CUFS so deposited, together with the appropriate instrument or instruments of transfer or endorsement, duly stamped, to the CUFS Depository for transfer and registration of the CUFS (as soon as transfer and registration can be accomplished and at the expense of the person for whom the deposit is made) in the name of the Depository, the Custodian or a nominee of either. Deposited Securities shall be held by the Depository or by a Custodian for the account and to the order of the Depository or a nominee, in each case for the account of the Holders and Beneficial Owners, at such place or places as the Depository or the Custodian shall determine.

(c) In the event any CUFS are deposited which entitle the holders thereof to receive a per-share distribution or other entitlement in an amount different from the CUFS then on deposit, the Depository is authorized to take any and all actions as may be necessary (including, without limitation, making the necessary notations on Receipts) to give effect to the issuance of such ADSs and to ensure that such ADSs are not fungible with other ADSs issued hereunder until such time as the entitlement of the CUFS represented by such non-fungible ADSs equals that of the CUFS represented by ADSs prior to such deposit. The Company agrees to give timely written notice to the Depository if any CUFS issued or to be issued contain rights different from those of any other CUFS theretofore issued and shall assist the Depository with the establishment of procedures enabling the identification of such non-fungible CUFS upon Delivery to the Custodian.

SECTION 2.4            Execution and Delivery of Receipts. Upon receipt by any Custodian of any deposit pursuant to Section 2.02 hereunder (and in addition, if the CHES Subregister of the CUFS Depository (or the appointed agent or agents of the CUFS Depository for transfer and registration of the CUFS) are open, or if the Depository so requires, a proper acknowledgment or other evidence from the CUFS Depository (or appointed agent or agents of the CUFS Depository for transfer and registration of the CUFS) satisfactory to the Depository that any deposited CUFS have been recorded upon the CHES Subregister of the CUFS Depository (or by the appointed agent of the CUFS Depository for transfer and registration of CUFS), if applicable, in the name of the Depository or its nominee or such Custodian or its nominee), together with the other documents required as above specified, the Custodian shall notify the Depository of such deposit and the person or persons to whom or upon whose written order a Receipt or Receipts are Deliverable in respect thereof and the number of American Depositary Shares to be evidenced thereby. Such notification shall be made by letter, first class airmail postage prepaid, or, at the request, risk and expense of the person making the deposit, by cable, telex, SWIFT, facsimile or electronic transmission. After receiving such notice from the Custodian, the Depository, subject to this Deposit Agreement (including, without limitation, the payment of the fees, expenses, taxes and/or other charges owing hereunder), shall issue the ADSs representing the CUFS so deposited to or upon the order of the person or persons named in the notice Delivered to the Depository and shall execute and Deliver a Receipt registered in the name or names requested by such person or persons evidencing in the aggregate the number of American Depositary Shares to which such person or persons are entitled. Nothing herein shall prohibit any Pre-Release Transaction upon the terms set forth in this Deposit Agreement.

(a) Transfer. The Depository, or, if a Registrar (other than the Depository) for the Receipts shall have been appointed, the Registrar, subject to the terms and conditions of this Deposit Agreement, shall register transfers of Receipts on its books, upon surrender at the Principal Office of the Depository of a Receipt by the Holder thereof in person or by duly authorized attorney, properly endorsed in the case of a certificated Receipt or accompanied by, or in the case of DRS/Profile Receipts receipt by the Depository of, proper instruments of transfer (including signature guarantees in accordance with standard industry practice) and duly stamped as may be required by the laws of the State of New York and of the United States and any other applicable jurisdiction. Subject to the terms and conditions of this Deposit Agreement, including payment of the applicable fees and charges of the Depository set forth in Section 5.9 hereof and Article (9) of the Receipt, the Depository shall execute a new Receipt or Receipts and Deliver the same to or upon the order of the person entitled thereto evidencing the same aggregate number of American Depositary Shares as those evidenced by the Receipts surrendered.

(b) Combination & Split Up. The Depository, subject to the terms and conditions of this Deposit Agreement shall, upon surrender of a Receipt or Receipts for the purpose of effecting a split-up or combination of such Receipt or Receipts and upon payment to the Depository of the applicable fees and charges set forth in Section 5.9 hereof and Article (9) of the Receipt, execute and Deliver a new Receipt or Receipts for any authorized number of American Depositary Shares requested, evidencing the same aggregate number of American Depositary Shares as the Receipt or Receipts surrendered.

(c) Co-Transfer Agents. The Depository may appoint one or more co-transfer agents for the purpose of effecting transfers, combinations and split-ups of Receipts at designated transfer offices on behalf of the Depository. In carrying out its functions, a co-transfer agent may require evidence of authority and compliance with applicable laws and other requirements by Holders or persons entitled to such Receipts and will be entitled to protection and indemnity, in each case to the same extent as the Depository. Such co-transfer agents may be removed and substitutes appointed by the Depository. Each co-transfer agent appointed under this Section 2.5 (other than the Depository) shall give notice in writing to the Depository accepting such appointment and agreeing to be bound by the applicable terms of this Deposit Agreement.

(d) At the request of a Holder, the Depositary shall, for the purpose of substituting a certificated Receipt with a Receipt issued through DRS/Profile, or vice versa, execute and Deliver a certificated Receipt or DRS/Profile statement, as the case may be, for any authorized number of American Depositary Shares requested, evidencing the same aggregate number of American Depositary Shares as those evidenced by the certificated Receipt or DRS/Profile statement, as the case may be, substituted.

SECTION 2.6 Surrender of Receipts and Withdrawal of Deposited Securities. Upon surrender, at the Principal Office of the Depositary, of American Depositary Shares for the purpose of withdrawal of the Deposited Securities represented thereby, and upon payment of (i) the fees and charges of the Depositary for the making of withdrawals of Deposited Securities and cancellation of Receipts (as set forth in Section 5.9 hereof and Article (9) of the Receipt) and (ii) all applicable taxes and/or governmental charges payable in connection with such surrender and withdrawal, and subject to the terms and conditions of this Deposit Agreement, the Company's constituent documents, the requirements of the CUFS Depositary, Section 7.8 hereof and any other provisions of or governing the Deposited Securities and other applicable laws, the Holder shall be entitled to Delivery, to him or upon his order, of the Deposited Securities at the time represented by the American Depositary Shares so surrendered. American Depositary Shares may be surrendered for the purpose of withdrawing Deposited Securities by Delivery of a Receipt evidencing such American Depositary Shares (if held in certificated form) or by book-entry Delivery of such American Depositary Shares to the Depositary.

A Receipt surrendered for such purposes shall, if so required by the Depositary, be properly endorsed in blank or accompanied by proper instruments of transfer in blank, and if the Depositary so requires, the Holder thereof shall execute and deliver to the Depositary a written order directing the Depositary to cause the Deposited Securities being withdrawn to be Delivered to or upon the written order of a person or persons designated in such order. Thereupon, the Depositary shall direct the Custodian to Deliver (without unreasonable delay) at the designated office of the Custodian or through a book entry Delivery of the CUFS (in either case, subject to Sections 2.7, 3.1, 3.2, 5.9, and to the other terms and conditions of this Deposit Agreement, to the Company's constituent documents, to the provisions of or governing the Deposited Securities and to applicable laws, now or hereafter in effect) to or upon the written order of the person or persons designated in the order delivered to the Depositary as provided above, the Deposited Securities represented by such American Depositary Shares, together with any certificate or other proper documents of or relating to title of the Deposited Securities as may be legally required, as the case may be, to or for the account of such person.

The Depositary may, in its discretion, refuse to accept for surrender a number of American Depositary Shares representing a number other than a whole number of CUFS. In the case of surrender of a Receipt evidencing a number of American Depositary Shares representing other than a whole number of CUFS, the Depositary shall cause ownership of the appropriate whole number of CUFS to be Delivered in accordance with the terms hereof, and shall, at the discretion of the Depositary, either (i) issue and Deliver to the person surrendering such Receipt a new Receipt evidencing American Depositary Shares representing any remaining fractional CUFS, or (ii) sell or cause to be sold the fractional CUFS represented by the Receipt surrendered and remit the proceeds of such sale (net of (a) applicable fees and charges of, and expenses incurred by, the Depositary and (b) taxes and governmental charges) to the person surrendering the Receipt.

At the request, risk and expense of any Holder so surrendering a Receipt, and for the account of such Holder, the Depositary shall direct the Custodian to forward (to the extent permitted by law) any cash or other property (other than securities) held in respect of, and any certificate or certificates (if any) and other proper documents of or relating to title to, the Deposited Securities represented by such Receipt to the Depositary for Delivery at the Principal Office of the Depositary, and for further Delivery to such Holder. Such direction shall be given by letter or, at the request, risk and expense of such Holder, by cable, telex, electronic or facsimile transmission. Upon receipt by the Depositary, the Depositary may make delivery to such person or persons entitled thereto at the Principal Office of the Depositary of any dividends or cash distributions with respect to the Deposited Securities represented by such American Depositary Shares, or of any proceeds of sale of any dividends, distributions or rights, which may at the time be held by the Depositary.

SECTION 2.7

Limitations on Execution and Delivery, Transfer, etc. of Receipts; Suspension of Delivery, Transfer, etc.

(a) Additional Requirements. As a condition precedent to the execution and Delivery, registration, registration of transfer, split-up, subdivision combination or surrender of any Receipt, the delivery of any distribution thereon or withdrawal of any Deposited Securities, the Depositary or the Custodian may require (i) payment from the depositor of CUFS or presenter of the Receipt of a sum sufficient to reimburse it for any tax or other governmental charge and any stock transfer or registration fee with respect thereto (including any such tax or charge and fee with respect to CUFS being deposited or withdrawn) and payment of any applicable fees and charges of the Depositary as provided in Section 5.9 hereof and Article (9) of the Receipt, (ii) the production of proof satisfactory to it as to the identity and genuineness of any signature or any other matter contemplated by Section 3.1 hereof and (iii) compliance with (A) any laws or governmental regulations relating to the execution and Delivery of Receipts or American Depositary Shares or to the withdrawal or Delivery of Deposited Securities and (B) such reasonable regulations and procedures as the Depositary may establish consistent with the provisions of this Deposit Agreement and applicable law.

(b) Additional Limitations. The issuance of ADSs against deposits of CUFS generally or against deposits of particular CUFS may be suspended, or the issuance of ADSs against the deposit of particular CUFS may be withheld, or the registration of transfer of Receipts in particular instances may be refused, or the registration of transfers of Receipts generally may be suspended, during any period when the transfer books of the Depositary are closed or if any such action is deemed necessary or advisable by the Depositary or the Company, in good faith, at any time or from time to time because of any requirement of law, any government or governmental body or commission or any securities exchange on which the Receipts or CUFS are listed, or under any provision of this Deposit Agreement or provisions of, or governing, the Deposited Securities, or any meeting of shareholders of the Company or for any other reason, subject, in all cases, to Section 7.8 hereof.

SECTION 2.8 Lost Receipts, etc. In case any Receipt shall be mutilated, destroyed, lost or stolen, unless the Depository has notice that such ADR has been acquired by a bona fide purchaser, subject to Section 5.9 hereof, the Depository shall execute and Deliver a new Receipt (which, in the discretion of the Depository may be issued through DRS/Profile unless specifically requested otherwise) in exchange and substitution for such mutilated Receipt upon cancellation thereof, or in lieu of and in substitution for such destroyed, lost or stolen Receipt. Before the Depository shall execute and Deliver a new Receipt in substitution for a destroyed, lost or stolen Receipt, the Holder thereof shall have (a) filed with the Depository (i) a request for such execution and delivery before the Depository has notice that the Receipt has been acquired by a bona fide purchaser and (ii) a sufficient indemnity bond in form and amount acceptable to the Depository and (b) satisfied any other reasonable requirements imposed by the Depository.

SECTION 2.9 Cancellation and Destruction of Surrendered Receipts; Maintenance of Records. All Receipts surrendered to the Depository shall be cancelled by the Depository. The Depository is authorized to destroy Receipts so cancelled in accordance with its customary practices. Cancelled Receipts shall not be entitled to any benefits under this Deposit Agreement or be valid or obligatory for any purpose.

SECTION 2.10 Pre-Release. Subject to the further terms and provisions of this Section 2.10, the Depository, its Affiliates and their agents, on their own behalf, may own and deal in any class of securities of the Company and its Affiliates and in ADSs. In its capacity as Depository, the Depository may (i) issue ADSs prior to the receipt of CUFS (each such transaction a "Pre-Release Transaction") as provided below and (ii) Deliver CUFS upon the receipt and cancellation of ADSs that were issued in a Pre-Release Transaction, but for which CUFS may not yet have been received. The Depository may receive ADSs in lieu of CUFS under (i) above and receive CUFS in lieu of ADSs under (ii) above. Each such Pre-Release Transaction will be (a) subject to a written agreement whereby the person or entity (the "Applicant") to whom ADSs or CUFS are to be Delivered (1) represents that at the time of the Pre-Release Transaction the Applicant or its customer owns the CUFS or ADSs that are to be Delivered by the Applicant under such Pre-Release Transaction, (2) agrees to indicate the Depository as owner of such CUFS or ADSs in its records and to hold such CUFS or ADSs in trust for the Depository until such CUFS or ADSs are Delivered to the Depository or the Custodian, (3) unconditionally guarantees to deliver to the Depository or the Custodian, as applicable, such CUFS or ADSs, and (4) agrees to any additional restrictions or requirements that the Depository deems appropriate, (b) at all times fully collateralized with cash, United States government securities or such other collateral as the Depository deems appropriate, (c) terminable by the Depository on not more than five (5) Business Days' notice and (d) subject to such further indemnities and credit regulations as the Depository deems appropriate. The Depository will normally limit the number of ADSs and CUFS involved in such Pre-Release Transactions at any one time to thirty percent (30%) of the ADSs outstanding (without giving effect to ADSs outstanding under (i) above), provided, however, that the Depository reserves the right to disregard such limit from time to time as it deems appropriate. The Depository may also set limits with respect to the number of ADSs and CUFS involved in Pre-Release Transactions with any one person on a case by case basis as it deems appropriate.

The Depositary may retain for its own account any compensation received by it in conjunction with the foregoing. Collateral provided pursuant to (b) above, but not the earnings thereon, shall be held for the benefit of the Holders (other than the Applicant).

### ARTICLE III

#### CERTAIN OBLIGATIONS OF HOLDERS AND BENEFICIAL OWNERS OF RECEIPTS

SECTION 3.1 Proofs, Certificates and Other Information. Any person presenting Shares for deposit, any Holder and any Beneficial Owner may be required, and every Holder and Beneficial Owner agrees, from time to time to provide to the Depositary or the Custodian such proof of citizenship or residence, taxpayer status, payment of all applicable taxes or other governmental charges, exchange control approval, information relating to the registration on the CHESSE Subregister if applicable, legal or beneficial ownership of ADSs and Deposited Securities, compliance with applicable laws and the terms of this Deposit Agreement and the provisions of, or governing, the Deposited Securities or other information; to execute such certifications and to make such representations and warranties, and to provide such other information and documentation, in all cases as the Depositary may deem necessary or proper or as the Company may reasonably require by written request to the Depositary consistent with its obligations hereunder. The Depositary and the Registrar, as applicable, may withhold the execution or Delivery or registration of transfer of any Receipt or the distribution or sale of any dividend or distribution of rights or of the proceeds thereof, or to the extent not limited by the terms of Section 7.8 hereof, the Delivery of any Deposited Securities, until such proof or other information is filed or such certifications are executed, or such representations and warranties are made, or such other documentation or information provided, in each case to the Depositary's and the Company's satisfaction. The Depositary shall from time to time on the written request advise the Company of the availability of any such proofs, certificates or other information and shall, at the Company's sole expense, provide or otherwise make available copies thereof to the Company upon written request therefor by the Company, unless such disclosure is prohibited by law. Each Holder and Beneficial Owner agrees to provide any information requested by the Company or the Depositary pursuant to this paragraph. Nothing herein shall obligate the Depositary to (i) obtain any information for the Company if not provided by the Holders or Beneficial Owners or (ii) verify or vouch for the accuracy of the information so provided by the Holders or Beneficial Owners.

SECTION 3.2 Liability for Taxes and Other Charges. If any present or future tax or other governmental charge shall become payable by the Depositary or the Custodian with respect to any CUFS (or the Shares represented thereby), Deposited Securities, Receipts or ADSs, such tax or other governmental charge shall be payable by the Holders and Beneficial Owners to the Depositary and such Holders and Beneficial Owners shall be deemed liable therefor. The Company, the Custodian and/or the Depositary may withhold or deduct from any distributions made in respect of Deposited Securities and may sell for the account of a Holder and/or Beneficial Owner any or all of the Deposited Securities and apply such distributions and sale proceeds in payment of such taxes (including applicable interest and penalties) or charges, with the Holder and the Beneficial Owner remaining fully liable for any deficiency. In addition to any other remedies available to it, the Depositary and the Custodian may refuse the deposit of CUFS, and the Depositary may refuse to issue ADSs, to Deliver ADRs, register the transfer, split-up or combination of ADRs and (subject to Section 7.8) the withdrawal of Deposited Securities, until payment in full of such tax, charge, penalty or interest is received. Every Holder and Beneficial Owner agrees to, and shall, indemnify the Depositary, the Company, the Custodian and each and every of their respective officers, directors, employees, agents and Affiliates against, and hold each of them harmless from, any claims with respect to taxes, additions to tax (including applicable interest and penalties thereon) arising out of any refund of taxes, reduced rate of withholding at source or other tax benefit obtained for or by such Holder and/or Beneficial Owner. The obligations of Holders and Beneficial Owners of Receipts under this Section 3.2 shall survive any transfer of Receipts, any surrender of Receipts and withdrawal of Deposited Securities, or the termination of this Deposit Agreement.

SECTION 3.3      Representations and Warranties on Deposit of CUFSS. Each person depositing CUFSS under the Deposit Agreement shall be deemed thereby to represent and warrant that (i) such CUFSS and the certificates (if any) therefor are duly authorized, validly issued, fully paid, non-assessable and were legally obtained by such person, (ii) all preemptive (and similar) rights, if any, with respect to such CUFSS (and the Shares represented thereby) have been validly waived or exercised, (iii) the person making such deposit is duly authorized so to do, (iv) the CUFSS (and the Shares represented thereby) presented for deposit are free and clear of any lien, encumbrance, security interest, charge, mortgage or adverse claim, and are not, and the American Depositary Shares issuable upon such deposit will not be, Restricted Securities and (v) the CUFSS (and the Shares represented thereby) presented for deposit have not been stripped of any rights or entitlements. Such representations and warranties shall survive the deposit and withdrawal of CUFSS, the issuance and cancellation of American Depositary Shares in respect thereof and the transfer of such American Depositary Shares. If any such representations or warranties are false in any way, the Company and the Depositary shall be authorized, at the cost and expense of the person depositing CUFSS, to take any and all actions necessary to correct the consequences thereof.

SECTION 3.4      Ownership Restrictions. Holders and Beneficial Owners shall comply with any limitations on ownership of CUFSS or Shares under the constituent documents of the Company or applicable law as if they held the number of CUFSS their ADSs represent. The Company shall inform the Holders, Beneficial Owners and the Depositary of any such ownership restrictions in place from time to time.

SECTION 3.5      Compliance with Information Requests. Notwithstanding any other provision of this Deposit Agreement, the constituent documents of the Company and applicable law, each Holder and Beneficial Owner agrees to (a) provide such information as the Company or the Depositary may request pursuant to law (including, without limitation, relevant Irish law, Australian law, any applicable law of the United States, the constituent documents of the Company, any resolutions of the Company's Board of Directors adopted pursuant to such constituent documents, the requirements of any markets or exchanges upon which the CUFSS, ADSs or Receipts are listed or traded, the terms of the CHESD Depositary or to any requirements of any electronic book-entry system by which the ADSs or Receipts may be transferred), regarding the capacity in which they own or owned Receipts, the identity of any other persons then or previously interested in such Receipts and the nature of such interest, and any other applicable matters, and (b) be bound by and subject to applicable provisions of the laws of Ireland, the constituent documents of the Company and the requirements of any markets or exchanges upon which the ADSs, Receipts or CUFSS are listed or traded, or pursuant to any requirements of any electronic book-entry system by which the ADSs, Receipts or CUFSS may be transferred, to the same extent as if such Holder and Beneficial Owner held CUFSS directly, in each case irrespective of whether or not they are Holders or Beneficial Owners at the time such request is made and (c) without limiting the generality of the foregoing, comply with all applicable provisions of Irish law, the rules and requirements of any stock exchange on which the CUFSS are, or will be registered, traded or listed and the Company's constituent documents regarding any such Holder or Beneficial Owner's interest in CUFSS (including the aggregate of ADSs and CUFSS held by each such Holder or Beneficial Owner) and/or the disclosure of interests therein, whether or not the same may be enforceable against such Holder or Beneficial Owner. Each Holder and Beneficial Owner of ADSs further agrees to furnish the Company and the Depositary with any such notification made in accordance with this Section 3.5 and to comply with requests for information from the Company or the Depositary pursuant to the laws of Ireland, the rules and requirements of any stock exchange on which the CUFSS are, or will be registered, traded or listed, and the Company's constituent documents, whether or not they are Holders and/or Beneficial Owners at the time of such request. The Depositary agrees to use its reasonable efforts to forward upon the request of the Company, and at the Company's expense, any such request from the Company to the Holders and to forward to the Company any such responses to such requests received by the Depositary.

## ARTICLE IV

### THE DEPOSITED SECURITIES

SECTION 4.1 Cash Distributions. Whenever the Depositary receives confirmation from the Custodian of receipt of any cash dividend or other cash distribution on any Deposited Securities, or receives proceeds from the sale of any Shares, rights, securities or other entitlements under the terms hereof, the Depositary will, if at the time of receipt thereof any amounts received in a Foreign Currency can in the judgment of the Depositary (pursuant to Section 4.6 hereof) be converted on a practicable basis into Dollars transferable to the United States, promptly convert or cause to be converted such cash dividend, distribution or proceeds into Dollars (on the terms described in Section 4.6) and will distribute promptly the amount thus received (net of (a) the applicable fees and charges of, and expenses incurred by, the Depositary and (b) taxes and governmental charges) to the Holders of record as of the ADS Record Date in proportion to the number of American Depositary Shares held by such Holders respectively as of the ADS Record Date. The Depositary shall distribute only such amount, however, as can be distributed without attributing to any Holder a fraction of one cent. Any such fractional amounts shall be rounded to the nearest whole cent and so distributed to Holders entitled thereto. Holders and Beneficial Owners understand that in converting Foreign Currency, amounts received on conversion are calculated at a rate which exceeds three or four decimal places (the number of decimal places used by the Depositary to report distribution rates). The excess amount may be retained by the Depositary as an additional cost of conversion, irrespective of any other fees and expenses payable or owing hereunder and shall not be subject to escheatment. If the Company, the CUFS Depositary, the Custodian or the Depositary is required to withhold and does withhold from any cash dividend or other cash distribution in respect of any Deposited Securities an amount on account of taxes, duties or other governmental charges, the amount distributed to Holders on the American Depositary Shares representing such Deposited Securities shall be reduced accordingly. Such withheld amounts shall be forwarded by the Company, the Custodian or the Depositary to the relevant governmental authority. Evidence of payment thereof by the Company shall be forwarded by the Company to the Depositary upon request. The Depositary will forward to the Company or the CUFS Depositary such information from its records as the Company or CUFS Depositary may reasonably request to enable the Company or the CUFS Depositary to file necessary reports with governmental agencies, such reports necessary to obtain benefits under the applicable tax treaties for the Holders and Beneficial Owners of Receipts.

SECTION 4.2            Distribution in CUFS. If any distribution upon any Deposited Securities consists of a dividend in, or free distribution of, CUFS, the Company and/or CUFS Depository shall cause such CUFS to be deposited with the Custodian and registered, as the case may be, in the name of the Depository, the Custodian or any of their nominees. Upon receipt of confirmation of such deposit from the Custodian, the Depository shall establish the ADS Record Date upon the terms described in Section 4.7 and shall, subject to Section 5.9 hereof, either (i) distribute to the Holders as of the ADS Record Date in proportion to the number of American Depositary Shares held as of the ADS Record Date, additional American Depositary Shares, which represent in the aggregate the number of CUFS received as such dividend, or free distribution, subject to the other terms of this Deposit Agreement (including, without limitation, (a) the applicable fees and charges of, and expenses incurred by, the Depository and (b) taxes and/or governmental charges), or (ii) if additional American Depositary Shares are not so distributed, each American Depositary Share issued and outstanding after the ADS Record Date shall, to the extent permissible by law, thenceforth also represent rights and interests in the additional CUFS distributed upon the Deposited Securities represented thereby (net of (a) the applicable fees and charges of, and expenses incurred by, the Depository and (b) taxes and governmental charges). In lieu of Delivering fractional American Depositary Shares, the Depository shall sell the number of CUFS represented by the aggregate of such fractions and distribute the proceeds upon the terms described in Section 4.1. The Depository may withhold any such distribution of Receipts if it has not received satisfactory assurances from the Company (including an opinion of counsel to the Company furnished at the expense of the Company) that such distribution does not require registration under the Securities Act or is exempt from registration under the provisions of the Securities Act. To the extent such distribution may be withheld, the Depository may dispose of all or a portion of such distribution in such amounts and in such manner, including by public or private sale, as the Depository deems necessary and practicable, and the Depository shall distribute the net proceeds of any such sale (after deduction of applicable (a) taxes and/or governmental charges and (b) fees and charges of, and expenses incurred by, the Depository) to Holders entitled thereto upon the terms described in Section 4.1.

SECTION 4.3 Elective Distributions in Cash or CUFSS. Whenever the Company intends to distribute a dividend payable at the election of the holders of CUFSS in cash or in additional CUFSS, the Company shall give notice thereof to the Depository at least 30 days prior to the proposed distribution stating whether or not it wishes such elective distribution to be made available to Holders. Upon receipt of notice indicating that the Company wishes such elective distribution to be made available to Holders, the Depository shall consult with the Company to determine, and the Company shall assist the Depository in its determination, whether it is lawful and reasonably practicable to make such elective distribution available to the Holders. The Depository shall make such elective distribution available to Holders only if (i) the Company shall have timely requested that the elective distribution is available to Holders of ADRs, (ii) the Depository shall have determined that such distribution is reasonably practicable and (iii) the Depository shall have received satisfactory documentation within the terms of Section 5.7 including, without limitation, any legal opinions of counsel in any applicable jurisdiction that the Depository in its reasonable discretion may request, at the expense of the Company. If the above conditions are not satisfied, the Depository shall, to the extent permitted by law, distribute to the Holders, on the basis of the same determination as is made in the local market in respect of the Shares for which no election is made, either (x) cash upon the terms described in Section 4.1 or (y) additional ADSs representing such additional CUFSS upon the terms described in Section 4.2. If the above conditions are satisfied, the Depository shall establish an ADS Record Date (on the terms described in Section 4.7) and establish procedures to enable Holders to elect the receipt of the proposed dividend in cash or in additional ADSs. The Company shall assist the Depository in establishing such procedures to the extent necessary. Subject to Section 5.9 hereof, if a Holder elects to receive the proposed dividend (x) in cash, the dividend shall be distributed upon the terms described in Section 4.1, or (y) in ADSs, the dividend shall be distributed upon the terms described in Section 4.2. Nothing herein shall obligate the Depository to make available to Holders a method to receive the elective dividend in CUFSS (rather than ADSs). There can be no assurance that Holders generally, or any Holder in particular, will be given the opportunity to receive elective distributions on the same terms and conditions as the holders of CUFSS.

SECTION 4.4 Distribution of Rights to Purchase Shares.

(a) Distribution to ADS Holders. Whenever the Company intends to distribute to the holders of the Deposited Securities rights to subscribe for additional Shares, the Company shall give notice thereof to the Depository at least 60 days prior to the proposed distribution stating whether or not it wishes such rights to be made available to Holders. Upon receipt of a notice indicating that the Company wishes such rights to be made available to Holders, the Depository shall consult with the Company to determine, and the Company shall determine, whether it is lawful and reasonably practicable to make such rights available to the Holders. The Depository shall make such rights available to Holders only if (i) the Company shall have timely requested that such rights be made available to Holders, (ii) the Depository shall have received satisfactory documentation within the terms of Section 5.7, and (iii) the Depository shall have determined that such distribution of rights is lawful and reasonably practicable. In the event any of the conditions set forth above are not satisfied, the Depository shall proceed with the sale of the rights as contemplated in Section 4.4(b) below or, if timing or market conditions may not permit, do nothing thereby allowing such rights to lapse. In the event all conditions set forth above are satisfied, the Depository shall establish an ADS Record Date (upon the terms described in Section 4.7) and establish procedures (x) to distribute such rights (by means of warrants or otherwise) and (y) to enable the Holders to exercise the rights (upon payment of applicable (a) fees and charges of, and expenses incurred by, the Depository and (b) taxes and/or other governmental charges). Nothing herein shall obligate the Depository to make available to the Holders a method to exercise such rights to subscribe for Shares (rather than ADSs). On the exercise of any rights extended to Holders, the Company shall cause the relevant security, if Shares, to be delivered to the CUFSS Depository on behalf of such exercising Holders with instructions to issue CUFSS representing such Shares and deliver them to the Custodian.

(b) Sale of Rights. If (i) the Company does not timely request the Depositary to make the rights available to Holders or requests that the rights not be made available to Holders, (ii) the Depositary fails to receive satisfactory documentation within the terms of Section 5.7 or determines it is not lawful or reasonably practicable to make the rights available to Holders, or (iii) any rights made available are not exercised and appear to be about to lapse, the Depositary shall determine whether it is lawful and reasonably practicable to sell such rights, and if it so determines that it is lawful and reasonably practicable, endeavor to sell such rights in a riskless principal capacity or otherwise, at such place and upon such terms (including public or private sale) as it may deem proper. The Company shall assist the Depositary to the extent necessary to determine such legality and practicability. The Depositary shall, upon such sale, convert and distribute proceeds of such sale (net of applicable (a) fees and charges of, and expenses incurred by, the Depositary and (b) taxes and governmental charges) upon the terms set forth in Section 4.1. Because Irish law presently does not contemplate the issuance of rights in negotiable form and the possibility of such issuance is unlikely, a liquid market for rights may not exist, and this may adversely affect (1) the ability of the Depositary to dispose of such rights or (2) the amount the Depositary would realize upon disposal of rights.

(c) Lapse of Rights. If the Depositary is unable to make any rights available to Holders upon the terms described in Section 4.4(a) or to arrange for the sale of the rights upon the terms described in Section 4.4(b), the Depositary shall allow such rights to lapse.

The Depositary shall not be responsible for (i) any failure to determine that it may be lawful or practicable to make such rights available to Holders in general or any Holders in particular, (ii) any foreign exchange exposure or loss incurred in connection with such sale, or exercise, or (iii) the content of any materials forwarded to the Holders on behalf of the Company in connection with the rights distribution.

Notwithstanding anything to the contrary in this Section 4.4, if registration (under the Securities Act and/or any other applicable law) of the rights or the securities to which any rights relate may be required in order for the Company to offer such rights or such securities to Holders and to sell the securities represented by such rights, the Depositary will not distribute such rights to the Holders (i) unless and until a registration statement under the Securities Act (and/or such other applicable law) covering such offering is in effect or (ii) unless the Company furnishes to the Depositary at the Company's own expense opinion(s) of counsel to the Company in the United States and counsel to the Company in any other applicable country in which rights would be distributed, in each case satisfactory to the Depositary, to the effect that the offering and sale of such securities to Holders and Beneficial Owners are exempt from, or do not require registration under, the provisions of the Securities Act or any other applicable laws. In the event that the Company, the CUFS Depositary, the Depositary or the Custodian shall be required to withhold and does withhold from any distribution of property (including rights) an amount on account of taxes or other governmental charges, the amount distributed to the Holders shall be reduced accordingly. In the event that the Depositary determines that any distribution in property (including Shares and rights to subscribe therefor) is subject to any tax or other governmental charges which the Depositary is obligated to withhold, the Depositary may dispose of all or a portion of such property (including Shares and rights to subscribe therefor) in such amounts and in such manner, including by public or private sale, as the Depositary deems necessary and practicable to pay any such taxes and charges.

There can be no assurance that Holders generally, or any Holder in particular, will be given the opportunity to exercise rights on the same terms and conditions as the holders of Shares or be able to exercise such rights. Nothing herein shall obligate the Company to file any registration statement in respect of any rights or Shares or other securities to be acquired upon the exercise of such rights.

SECTION 4.5 Distributions Other Than Cash, Shares or Rights to Purchase Shares.

(a) Whenever the Company or CUFS Depositary intends to distribute to the holders of Deposited Securities property other than cash, CUFSs or rights to purchase additional Shares (in the form of CUFS), the Company shall give notice thereof to the Depositary at least 30 days prior to the proposed distribution and shall indicate whether or not it wishes such distribution to be made to Holders. Upon receipt of a notice indicating that the Company wishes such distribution be made to Holders, the Depositary shall determine whether such distribution to Holders is lawful and practicable. The Depositary shall not make such distribution unless (i) the Company shall have timely requested the Depositary to make such distribution to Holders, (ii) the Depositary shall have received satisfactory documentation within the terms of Section 5.7, and (iii) the Depositary shall have determined that such distribution is reasonably practicable.

(b) Upon receipt of satisfactory documentation and the request of the Company to distribute property to Holders and after making the requisite determinations set forth in (a) above, the Depositary may distribute the property so received to the Holders of record as of the ADS Record Date, in proportion to the number of ADSs held by such Holders respectively and in such manner as the Depositary may deem practicable for accomplishing such distribution (i) upon receipt of payment or net of the applicable fees and charges of, and expenses incurred by, the Depositary, and (ii) net of any taxes and/or other governmental charges withheld. The Depositary may dispose of all or a portion of the property so distributed and deposited, in such amounts and in such manner (including public or private sale) as the Depositary may deem practicable or necessary to satisfy any taxes (including applicable interest and penalties) or other governmental charges applicable to the distribution.

(c) If (i) the Company does not request the Depositary to make such distribution to Holders or requests not to make such distribution to Holders, (ii) the Depositary does not receive satisfactory documentation within the terms of Section 5.7, or (iii) the Depositary determines that all or a portion of such distribution is not reasonably practicable or feasible, the Depositary shall endeavor to sell or cause such property to be sold in a public or private sale, at such place or places and upon such terms as it may deem proper and shall distribute the net proceeds, if any, of such sale received by the Depositary (net of applicable (a) fees and charges of, and expenses incurred by, the Depositary and (b) taxes and governmental charges) to the Holders as of the ADS Record Date upon the terms of Section 4.1. If the Depositary is unable to sell such property, the Depositary may dispose of such property in any way it deems reasonably practicable under the circumstances for nominal or no consideration and Holders and Beneficial Owners shall have no rights thereto or arising therefrom.

SECTION 4.6 Conversion of Foreign Currency. Whenever the Depositary or the Custodian shall receive Foreign Currency, by way of dividends or other distributions or the net proceeds from the sale of securities, property or rights, and in the judgment of the Depositary such Foreign Currency can at such time be converted on a practicable basis (by sale or in any other manner that it may determine in accordance with applicable law) into Dollars transferable to the United States and distributable to the Holders entitled thereto, the Depositary shall convert or cause to be converted, by sale or in any other manner that it may determine, such Foreign Currency into Dollars, and shall distribute such Dollars (net of any fees, expenses, taxes and/or other governmental charges incurred in the process of such conversion) in accordance with the terms of the applicable sections of this Deposit Agreement. If the Depositary shall have distributed warrants or other instruments that entitle the holders thereof to such Dollars, the Depositary shall distribute such Dollars to the holders of such warrants and/or instruments upon surrender thereof for cancellation, in either case without liability for interest thereon. Such distribution may be made upon an averaged or other practicable basis without regard to any distinctions among Holders on account of exchange restrictions, the date of delivery of any Receipt or otherwise.

Holders understand that in converting Foreign Currency, amounts received on conversion are calculated at a rate which may exceed the number of decimal places used by the Depositary to report distribution rates (which in any case will not be less than two decimal places). Any excess amount may be retained by the Depositary as an additional cost of conversion, irrespective of any other fees and expenses payable or owing hereunder and shall not be subject to escheatment.

If such conversion or distribution can be effected only with the approval or license of any government or agency thereof, the Depositary may file such application for approval or license, if any, as it may deem necessary, practicable and at nominal cost and expense. Nothing herein shall obligate the Depositary to file or cause to be filed, or to seek effectiveness of any such application or license.

If at any time the Depositary shall determine that in its judgment the conversion of any Foreign Currency and the transfer and distribution of proceeds of such conversion received by the Depositary is not practical or lawful, or if any approval or license of any governmental authority or agency thereof that is required for such conversion, transfer and distribution is denied, or not obtainable at a reasonable cost, within a reasonable period or otherwise sought, the Depositary shall, in its sole discretion but subject to applicable laws and regulations, either (i) distribute the Foreign Currency (or an appropriate document evidencing the right to receive such Foreign Currency) received by the Depositary to the Holders entitled to receive such Foreign Currency, or (ii) hold such Foreign Currency uninvested and without liability for interest thereon for the respective accounts of the Holders entitled to receive the same.

**SECTION 4.7**            Fixing of Record Date. Whenever necessary in connection with any distribution (whether in cash, Shares, rights, or other distribution), or whenever for any reason the Depositary causes a change in the number of CUFS that are represented by each American Depositary Share, or whenever the Depositary shall receive notice of any meeting of or solicitation of holders of CUFS (or the Shares underlying the CUFS) or other Deposited Securities, or whenever the Depositary shall find it necessary or convenient, the Depositary shall fix a record date (the "ADS Record Date"), as close as practicable to the record date with respect to the CUFS (if applicable), for the determination of the Holders who shall be entitled to receive such distribution, to give instructions for the exercise of voting rights at any such meeting, or to give or withhold such consent, or to receive such notice or solicitation or to otherwise take action, or to exercise the rights of Holders with respect to such changed number of CUFS represented by each American Depositary Share, or for any other reason. Subject to applicable law and the provisions of Section 4.1 through 4.6 and to the other terms and conditions of this Deposit Agreement, only the Holders of record at the close of business in New York on such ADS Record Date shall be entitled to receive such distribution, to give such voting instructions, to receive such notice or solicitation, or otherwise take action.

**SECTION 4.8**            Voting of Deposited Securities. Subject to the next sentence, as soon as practicable after receipt of notice of any meeting at which the holders of CUFS are entitled to vote, or of solicitation of consents or proxies from holders of CUFS or other Deposited Securities, the Depositary shall fix the ADS Record Date in respect of such meeting or solicitation of consent or proxy. The Depositary shall, if requested by the Company in writing in a timely manner (the Depositary having no obligation to take any further action if the request shall not have been received by the Depositary at least 30 days prior to the date of such vote or meeting) and at the Company's expense and provided no U.S. legal prohibitions exist, mail by regular, ordinary mail delivery (or by electronic mail or as otherwise may be agreed between the Company and the Depositary in writing from time to time) or otherwise distribute to Holders as of the ADS Record Date: (a) such notice of meeting or solicitation of consent or proxy; (b) a statement that the Holders at the close of business on the ADS Record Date will be entitled, subject to any applicable law, the Company's constituent documents, the requirements of the CUFS Depositary and the provisions of or governing the Deposited Securities (which provisions, if any, shall be summarized in pertinent part by the Company and/or the CUFS Depositary), to instruct the Depositary as to the exercise of the voting rights, if any, pertaining to the Shares underlying the CUFS or other Deposited Securities represented by such Holder's American Depositary Shares; and (c) a brief statement as to the manner in which such instructions may be given. Voting instructions may be given only in respect of a number of American Depositary Shares representing an integral number of CUFS or other Deposited Securities. Upon the timely receipt of instructions of a Holder on the ADS Record Date of voting instructions in the manner specified by the Depositary, the Depositary shall endeavor, insofar as practicable and permitted under applicable law, the provisions of this Deposit Agreement, the Company's constituent documents, the requirements of the CUFS Depositary and the provisions of or governing the Deposited Securities, to instruct or cause the Custodian to instruct the CUFS Depositary to vote the Shares underlying the CUFS and/or other Deposited Securities (in person or by proxy) represented by American Depositary Shares evidenced by such Receipt in accordance with such voting instructions.

Neither the Depositary nor the Custodian shall, under any circumstances exercise any discretion as to voting, and neither the Depositary nor the Custodian shall instruct the CUFSS Depositary to vote, attempt to exercise the right to vote, or in any way make use of for purposes of establishing a quorum or otherwise, the Shares represented by the CUFSS or other Deposited Securities represented by American Depositary Shares except pursuant to and in accordance with such written instructions from Holders. Shares underlying CUFSS or other Deposited Securities represented by ADSs for which no specific voting instructions are received by the Depositary from the Holder shall not be voted.

Notwithstanding the above, save for applicable provisions of Irish law, and in accordance with the terms of Section 5.3, the Depositary shall not be liable for any failure to carry out any instructions to vote any of the Deposited Securities or the manner in which such vote is cast or the effect of any such vote.

There can be no assurance that Holders or Beneficial Owners generally or any Holder or Beneficial Owner in particular will receive the notice described above with sufficient time to enable the Holder to return voting instructions to the Depositary, for the Depositary to instruct the CUFSS Depositary or for the CUFSS Depositary to vote in a timely manner.

**SECTION 4.9**            Changes Affecting Deposited Securities. Upon any change in par value, split-up, subdivision cancellation, consolidation or any other reclassification of Deposited Securities, or upon any recapitalization, reorganization, merger, amalgamation or consolidation or sale of assets affecting the Company or to which it is otherwise a party, any securities which shall be received by the Depositary or the Custodian in exchange for, or in conversion of or replacement or otherwise in respect of, such Deposited Securities shall, to the extent permitted by law, be treated as new Deposited Securities under this Deposit Agreement, and the Receipts shall, subject to the provisions of this Deposit Agreement and applicable law, evidence American Depositary Shares representing the right to receive such additional securities. Alternatively, the Depositary may, with the Company's approval, and shall, if the Company shall so request, subject to the terms of the Deposit Agreement and receipt of an opinion of counsel to the Company, furnished at the expense of the Company, satisfactory to the Depositary that such distributions are not in violation of any applicable laws or regulations, execute and Deliver additional Receipts as in the case of a stock dividend on the Shares underlying the CUFSS, or call for the surrender of outstanding Receipts to be exchanged for new Receipts, in either case, as well as in the event of newly deposited CUFSS, with necessary modifications to the form of Receipt contained in Exhibit A hereto, specifically describing such new Deposited Securities and/or corporate change. The Company agrees to, jointly with the Depositary, amend the Registration Statement on Form F-6 as filed with the Commission to permit the issuance of such new form of Receipt. Notwithstanding the foregoing, in the event that any security so received may not be lawfully distributed to some or all Holders, the Depositary may, with the Company's approval, and shall, if the Company requests, subject to receipt of an opinion of counsel to the Company, furnished at the expense of the Company, satisfactory to the Depositary that such action is not in violation of any applicable laws or regulations, sell such securities at public or private sale, at such place or places and upon such terms as it may deem proper and may allocate the net proceeds of such sales (net of (a) fees and charges of, and expenses incurred by or charged to, the Depositary and (b) taxes and/or governmental charges) for the account of the Holders otherwise entitled to such securities upon an averaged or other practicable basis without regard to any distinctions among such Holders and distribute the net proceeds so allocated to the extent practicable as in the case of a distribution received in cash pursuant to Section 4.1. The Depositary shall not be responsible for (i) any failure to determine that it may be lawful or feasible to make such securities available to Holders in general or to any Holder in particular, (ii) any foreign exchange exposure or loss incurred in connection with such sale, or (iii) any liability to the purchaser of such securities.

SECTION 4.10      Available Information. The Company is subject to the periodic reporting requirements of the Exchange Act and accordingly files certain information with the Commission. These reports and documents can be inspected and copied at the public reference facilities maintained by the Commission located at the date of this Deposit Agreement at 100 F Street, N.E., Washington, D.C. 20549.

SECTION 4.11      Reports. The Depository shall make available during normal business hours on any Business Day for inspection by Holders at its Principal Office any reports and communications, including any proxy soliciting materials, received from the Company or CUFS Depository which are both (a) received by the Depository, the Custodian, or the nominee of either of them as the holder of the Deposited Securities or by the CUFS Depository as the holder of Shares underlying the CUFS and (b) made generally available to the holders of such Deposited Securities or of the Shares underlying the CUFS by the Company or the CUFS Depository. The Company agrees to provide to the Depository, at the Company's expense, all documents that it provides to the CUFS Depository or the Custodian. The Depository shall, at the expense of the Company and in accordance with Section 5.6, also mail by regular, ordinary mail delivery or by electronic transmission (if agreed by the Company and the Depository) and unless otherwise agreed in writing by the Company and the Depository, to Holders copies of such reports when furnished by the Company pursuant to Section 5.6.

SECTION 4.12      List of Holders. Promptly upon written request by the Company, the Depository shall, at the expense of the Company, furnish to it a list, as of a recent date, of the names, addresses and holdings of American Depository Shares by all persons in whose names Receipts are registered on the books of the Depository.

SECTION 4.13 Taxation;Withholding. The Depository will, and will instruct the Custodian to, forward to the Company or the CUFS Depository such information from its records as the Company may reasonably request to enable the Company or the CUFS Depository to file necessary tax reports with governmental authorities or agencies. The Depository, the Custodian, the CUFS Depository or the Company and its agents may, but shall not be obligated to, file such reports as are necessary to reduce or eliminate applicable taxes on dividends and on other distributions in respect of Deposited Securities under applicable tax treaties or laws for the Holders and Beneficial Owners. Holders and Beneficial Owners of American Depositary Shares may be required from time to time, and in a timely manner, to file such proof of taxpayer status, residence and beneficial ownership (as applicable), to execute such certificates and to make such representations and warranties, or to provide any other information or documents, as the Depository or the Custodian may deem necessary or proper to fulfill the Depository's or the Custodian's obligations under applicable law.

The Company and the CUFS Depository shall remit to the appropriate governmental authority or agency any amounts required to be withheld by the Company or CUFS Depository, as applicable, and owing to such governmental authority or agency. Upon any such withholding, the Company shall remit to the Depository information about such taxes and/or governmental charges withheld or paid, and, if so requested, the tax receipt (or other proof of payment to the applicable governmental authority) therefor, in each case, in a form satisfactory to the Depository. The Depository shall, to the extent required by U.S. law, report to Holders: (i) any taxes withheld by it; (ii) any taxes withheld by the Custodian, subject to information being provided to the Depository by the Custodian; and (iii) any taxes withheld by the Company or the CUFS Depository, subject to information being provided to the Depository by the Company or the CUFS Depository. The Depository and the Custodian shall not be required to provide the Holders with any evidence of the remittance by the Company or the CUFS Depository (or any of their respective agents) of any taxes withheld, or of the payment of taxes by the Company or CUFS Depository, except to the extent the evidence is provided by the Company or the CUFS Depository to the Depository. Neither the Depository nor the Custodian shall be liable for the failure by any Holder or Beneficial Owner to obtain the benefits of credits on the basis of non-U.S. tax paid against such Holder's or Beneficial Owner's income tax liability.

In the event that the Depository determines that any distribution in property (including Shares and rights to subscribe therefor) is subject to any tax or other governmental charge which the Depository is obligated to withhold, the Depository shall withhold the amount required to be withheld and may by public or private sale dispose of all or a portion of such property (including Shares and rights to subscribe therefor) in such amounts and in such manner as the Depository deems necessary and practicable to pay such taxes and charges and the Depository shall distribute the net proceeds of any such sale after deduction of such taxes and charges to the Holders entitled thereto in proportion to the number of American Depositary Shares held by them respectively.

The Depository is under no obligation to provide the Holders and Beneficial Owners with any information about the tax status of the Company. The Depository shall not incur any liability for any tax consequences that may be incurred by Holders and Beneficial Owners on account of their ownership of the American Depositary Shares, including without limitation, tax consequences resulting from the Company (or any of its subsidiaries) being treated as a "Passive Foreign Investment Company" (as defined in the U.S. Internal Revenue Code and the regulations issued thereunder) or otherwise.

## ARTICLE V

### THE DEPOSITARY, THE CUSTODIAN AND THE COMPANY

SECTION 5.1 Maintenance of Office and Transfer Books by the Registrar. Until termination of this Deposit Agreement in accordance with its terms, the Depositary or if a Registrar for the Receipts shall have been appointed, the Registrar shall maintain in the Borough of Manhattan, the City of New York, an office and facilities for the execution and delivery, registration, registration of transfers, combination and split-up of Receipts, the surrender of Receipts and the delivery and withdrawal of Deposited Securities in accordance with the provisions of this Deposit Agreement.

The Depositary or the Registrar as applicable, shall keep books for the registration of Receipts and transfers of Receipts which at all reasonable times shall be open for inspection by the Company and by the Holders of such Receipts, provided that such inspection shall not be, to the Depositary's or the Registrar's knowledge, for the purpose of communicating with Holders of such Receipts in the interest of a business or object other than the business of the Company or other than a matter related to this Deposit Agreement or the Receipts.

The Depositary or the Registrar, as applicable, may close the transfer books with respect to the Receipts, at any time or from time to time, when deemed necessary or advisable by it in connection with the performance of its duties hereunder.

If any Receipts or the American Depositary Shares evidenced thereby are listed on one or more stock exchanges or automated quotation systems in the United States, the Depositary shall act as Registrar or appoint a Registrar or one or more co-registrars for registration of Receipts and transfers, combinations and split-ups, and to countersign such Receipts in accordance with any requirements of such exchanges or systems. Such Registrar or co-registrars may be removed and a substitute or substitutes appointed by the Depositary.

If any Receipts or the American Depositary Shares evidenced thereby are listed on one or more securities exchanges, markets or automated quotation systems, (i) the Depositary shall be entitled to, and shall, take or refrain from taking such action(s) as it may deem necessary or appropriate to comply with the requirements of such securities exchange(s), market(s) or automated quotation system(s) applicable to it, notwithstanding any other provision of this Deposit Agreement; and (ii) upon the reasonable request of the Depositary, the Company shall provide the Depositary such information and assistance as may be reasonably necessary for the Depositary to comply with such requirements, to the extent that the Company may lawfully do so.

SECTION 5.2            Exoneration. Neither the Depositary, the Custodian or the Company shall be obligated to do or perform any act which is inconsistent with the provisions of this Deposit Agreement or shall incur any liability to Holders, Beneficial Owners or any third parties (i) if the Depositary, the Custodian, the CUFS Depositary or the Company or their respective controlling persons or agents shall be prevented or forbidden from, or subjected to any civil or criminal penalty or restraint on account of, or delayed in, doing or performing any act or thing required by the terms of the Deposit Agreement and any Receipt, by reason of any provision of any present or future law or regulation of the United States or any state thereof, Ireland or any other country, or of any other governmental authority or regulatory authority or stock exchange, or on account of the possible criminal or civil penalties or restraint, or by reason of any provision, present or future, of the Company's constituent documents or any provision of or governing any Deposited Securities, or by reason of any act of God or war or other circumstances beyond its control (including, without limitation, nationalization, expropriation, currency restrictions, work stoppage, strikes, civil unrest, revolutions, rebellions, explosions and computer failure), (ii) by reason of any exercise of, or failure to exercise, any discretion provided for in this Deposit Agreement or in the Company's constituent documents or provisions of or governing the CUFS or other Deposited Securities, (iii) for any action or inaction of the Depositary, the Custodian, the CUFS Depositary or the Company or their respective controlling persons or agents in reliance upon the advice of or information from legal counsel, accountants, any person presenting CUFS for deposit, any Holder, any Beneficial Owner or authorized representative thereof, or any other person believed by it in good faith to be competent to give such advice or information, including, without limitation, in determining if a proposed distribution, action or transaction under Article IV of the Deposit Agreement is lawful, (iv) for the inability by a Holder or Beneficial Owner to benefit from any distribution, offering, right or other benefit which is made available to holders of Deposited Securities but is not, under the terms of this Deposit Agreement, made available to Holders of American Depositary Shares or (v) for any indirect, special, punitive or consequential damages ("Special Damages") for any breach of the terms of this Deposit Agreement or otherwise.

The Depositary, its controlling persons, its agents, the Custodian and the Company, its controlling persons and its agents may rely and shall be protected in acting upon any written notice, request, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties.

No disclaimer of liability under the Securities Act is intended by any provision of this Deposit Agreement.

SECTION 5.3            Standard of Care. The Company and the Depositary and their respective directors, officers, Affiliates, employees and agents assume no obligation and shall not be subject to any liability under this Deposit Agreement or any Receipts to any Holder(s) or Beneficial Owner(s) or other persons (except for the Company's and the Depositary's obligations specifically set forth in Section 5.8), provided, that the Company and the Depositary and their respective directors, officers, Affiliates, employees and agents agree to perform their respective obligations specifically set forth in this Deposit Agreement or the applicable ADRs without gross negligence or willful misconduct.

Without limitation of the foregoing, neither the Depositary, nor the Company, nor any of their respective controlling persons, directors, officers, Affiliates, employees or agents, shall be under any obligation to appear in, prosecute or defend any action, suit or other proceeding in respect of any Deposited Securities or in respect of the Receipts, which in its opinion may involve it in expense or liability, unless indemnity satisfactory to it against all expenses (including fees and disbursements of counsel) and liabilities be furnished as often as may be required (and no Custodian shall be under any obligation whatsoever with respect to such proceedings, the responsibility of the Custodian being solely to the Depositary).

In no event shall the Depository or any of its directors, officers, employees, agents (including, without limitation, its Agents) and/or Affiliates, or any of them, be liable for any Special Damages to the Company, Holders, Beneficial Owners or any other person.

The Depository and its agents shall not be liable for any failure to carry out any instructions to vote any of the Deposited Securities, or for the manner in which any vote is cast (provided that any such action or omission is in good faith) or the effects of any vote. The Depository shall not incur any liability for any failure to determine that any distribution or action may be lawful or reasonably practicable, for the content of any information submitted to it by the Company for distribution to the Holders or for any inaccuracy of any translation thereof, for any investment risk associated with acquiring an interest in the Deposited Securities, for the validity or worth of the Deposited Securities or for any tax consequences that may result from the ownership of ADSs, CUFS (or the underlying Shares) or Deposited Securities, for the credit-worthiness of any third party, for allowing any rights to lapse upon the terms of this Deposit Agreement or for the failure or timeliness of any notice from the Company, or for any action or non action by it in reliance upon the opinion, advice of or information from legal counsel, accountants, any person presenting CUFS for deposit, any Holder or any other person believed by it in good faith to be competent to give such advice or information. The Depository and its agents shall not be liable for any acts or omissions made by a successor depository whether in connection with a previous act or omission of the Depository or in connection with any matter arising wholly after the removal or resignation of the Depository, provided that in connection with the issue out of which such potential liability arises the Depository performed its obligations without gross negligence or willful misconduct while it acted as Depository.

**SECTION 5.4**      Resignation and Removal of the Depository; Appointment of Successor Depository. The Depository may at any time resign as Depository hereunder by written notice of resignation delivered to the Company, such resignation to be effective on the earlier of (i) the 90th day after delivery thereof to the Company (whereupon the Depository shall, in the event no successor depository has been appointed by the Company, be entitled to take the actions contemplated in Section 6.2 hereof), or (ii) upon the appointment by the Company of a successor depository and its acceptance of such appointment as hereinafter provided, save that, any amounts, fees, costs or expenses owed to the Depository hereunder or in accordance with any other agreements otherwise agreed in writing between the Company and the Depository from time to time shall be paid to the Depository prior to such resignation.

The Depository may at any time be removed by the Company by written notice of such removal, which removal shall be effective on the later of (i) the 90th day after delivery thereof to the Depository (whereupon the Depository shall be entitled to take the actions contemplated in Section 6.2 hereof), or (ii) upon the appointment by the Company of a successor depository and its acceptance of such appointment as hereinafter provided, save that, any amounts, fees, costs or expenses owed to the Depository hereunder or in accordance with any other agreements otherwise agreed in writing between the Company and the Depository from time to time shall be paid to the Depository prior to such removal.

In case at any time the Depositary acting hereunder shall resign or be removed, the Company shall use its best efforts to appoint a successor depositary, which shall be a bank or trust company having an office in the Borough of Manhattan, the City of New York. The Company shall give notice to the Depositary of the appointment of a successor depositary not more than 90 days after delivery by the Depositary of written notice of resignation or by the Company of removal, each as provided in this section. In the event that a successor depositary is not appointed or notice of the appointment of a successor depositary is not provided by the Company in accordance with the preceding sentence, the Depositary shall be entitled to take the actions contemplated in Section 6.2 hereof. Every successor depositary shall be required by the Company to execute and deliver to its predecessor and to the Company an instrument in writing accepting its appointment hereunder, and thereupon such successor depositary, without any further act or deed (except as required by applicable law), shall become fully vested with all the rights, powers, duties and obligations of its predecessor. The predecessor depositary, upon payment of all sums due to it and on the written request of the Company, shall (i) execute and deliver an instrument transferring to such successor all rights and powers of such predecessor hereunder (other than as contemplated in Sections 5.8 and 5.9), (ii) duly assign, transfer and deliver all right, title and interest to the Deposited Securities to such successor, and (iii) deliver to such successor a list of the Holders of all outstanding Receipts and such other information relating to Receipts and Holders thereof as the successor may reasonably request. Any such successor depositary shall promptly mail notice of its appointment to such Holders.

Any corporation into or with which the Depositary may be merged or consolidated shall be the successor of the Depositary without the execution or filing of any document or any further act.

SECTION 5.5      The Custodian. The Custodian or its successors in acting hereunder shall be subject at all times and in all respects to the direction of the Depositary for the Deposited Securities for which the Custodian acts as custodian and shall be responsible solely to it. If any Custodian resigns or is discharged from its duties hereunder with respect to any Deposited Securities and no other Custodian has previously been appointed hereunder, the Depositary shall promptly appoint a substitute custodian. The Depositary shall require such resigning or discharged Custodian to deliver the Deposited Securities held by it, together with all such records maintained by it as Custodian with respect to such Deposited Securities as the Depositary may request, to the Custodian designated by the Depositary. Whenever the Depositary determines, in its discretion, that it is appropriate to do so, it may appoint an additional entity to act as Custodian with respect to any Deposited Securities, or discharge the Custodian with respect to any Deposited Securities and appoint a substitute custodian, which shall thereafter be Custodian hereunder with respect to the Deposited Securities. After any such change, the Depositary shall give notice thereof in writing to all Holders.

Upon the appointment of any successor depositary, any Custodian then acting hereunder shall, unless otherwise instructed by the Depositary, continue to be the Custodian of the Deposited Securities without any further act or writing and shall be subject to the direction of the successor depositary. The successor depositary so appointed shall, nevertheless, on the written request of any Custodian, execute and deliver to such Custodian all such instruments as may be proper to give to such Custodian full and complete power and authority to act on the direction of such successor depositary.

**SECTION 5.6**      Notices and Reports. On or before the first date on which the Company gives notice, by publication or otherwise, of any meeting of holders of Shares or other Deposited Securities, or of any adjourned meeting of such holders, or of the taking of any action by such holders other than at a meeting, or of the taking of any action in respect of any cash or other distributions or the offering of any rights in respect of Deposited Securities, the Company shall transmit to the Depositary and the Custodian a copy of the notice thereof in English but otherwise in the form given or to be given to holders of CUFS (or the underlying Shares) or other Deposited Securities. The Company shall also furnish to the Custodian and the Depositary a summary, in English, of any applicable provisions or proposed provisions of the Company's constituent documents that may be relevant or pertain to such notice of meeting or be the subject of a vote thereat.

The Company will also transmit to the Depositary (a) English language versions of the other notices, reports and communications which are made generally available by the Company to holders of its Shares, the CUFS or other Deposited Securities and (b) English language versions of the Company's annual and other reports prepared in accordance with the applicable requirements of the Commission. The Depositary shall arrange, at the request of the Company and at the Company's expense, for the mailing of copies thereof to all Holders, or by any other means as agreed between the Company and the Depositary (at the Company's expense) or make such notices, reports and other communications available for inspection by all Holders, provided, that, the Depositary shall have received evidence sufficiently satisfactory to it, including in the form of an opinion of local and/or U.S. counsel or counsel of other applicable jurisdiction, furnished at the expense of the Company, as the Depositary in its discretion so requests, that the distribution of such notices, reports and any such other communications to Holders from time to time is valid and does not or will not infringe any local, U.S. or other applicable jurisdiction regulatory restrictions or requirements if so distributed and made available to Holders. The Company will timely provide the Depositary with the quantity of such notices, reports, and communications, as requested by the Depositary from time to time, in order for the Depositary to effect such mailings. The Company has delivered to the Depositary and the Custodian a copy of the Company's constituent documents along with the provisions of or governing the CUFS and any other Deposited Securities issued by the Company or any Affiliate of the Company, in connection with the Shares, in each case along with a certified English translation thereof, and promptly upon any amendment thereto or change therein, the Company shall deliver to the Depositary and the Custodian a copy of such amendment thereto or change therein (along with a certified English translation thereof). The Depositary may rely upon such copy for all purposes of this Deposit Agreement.

The Depositary will, at the expense of the Company, make available a copy of any such notices, reports or communications issued by the Company and delivered to the Depositary for inspection by the Holders of the Receipts evidencing the American Depositary Shares representing such CUFs governed by such provisions at the Depositary's Principal Office, at the office of the Custodian and at any other designated transfer office.

**SECTION 5.7**      Issuance of Additional Shares, ADSs etc. The Company agrees that in the event it or any of its Affiliates proposes (i) an issuance, sale or distribution of additional CUFs or Shares underlying the CUFs, (ii) an offering of rights to subscribe for CUFs, Shares or other Deposited Securities, (iii) an issuance of securities convertible into or exchangeable for CUFs or Shares, (iv) an issuance of rights to subscribe for securities convertible into or exchangeable for CUFs or Shares, (v) an elective dividend of cash or CUFs (or Shares), (vi) a redemption of Deposited Securities, (vii) a meeting of holders of Deposited Securities, or solicitation of consents or proxies, relating to any reclassification of securities, merger, subdivision, amalgamation or consolidation or transfer of assets or (viii) any reclassification, recapitalization, reorganization, merger, amalgamation, consolidation or sale of assets which affects the Deposited Securities, it will obtain U.S. legal advice and take all steps necessary to ensure that the application of the proposed transaction to Holders and Beneficial Owners does not violate the registration provisions of the Securities Act, or any other applicable laws (including, without limitation, the Investment Company Act of 1940, as amended, the Exchange Act or the securities laws of the states of the United States). In support of the foregoing or at the reasonable request of the Depositary where it deems necessary, the Company will furnish to the Depositary, at its own expense (a) a written opinion of U.S. counsel (reasonably satisfactory to the Depositary) stating whether or not application of such transaction to Holders and Beneficial Owners (1) requires a registration statement under the Securities Act to be in effect or is exempt from the registration requirements of the Securities Act and/or (2) dealing with such other reasonable issues requested by the Depositary, (b) an opinion of Irish counsel (reasonably satisfactory to the Depositary) stating that (1) making the transaction available to Holders and Beneficial Owners does not violate the laws or regulations of Ireland and (2) all requisite regulatory consents and approvals have been obtained in Ireland and (c) as the Depositary may reasonably request, a written opinion of counsel in any other jurisdiction, including, without limitation, Australia and those jurisdictions in which Holders or Beneficial owners reside as to such matters as the Depositary may determine. If the filing of a registration statement is required, the Depositary shall not have any obligation to proceed with the transaction unless it shall have received evidence reasonably satisfactory to it that such registration statement has been declared effective and that such distribution is in accordance with all applicable laws or regulations. If, being advised by counsel, the Company determines that a transaction is required to be registered under the Securities Act, the Company will either (i) register such transaction to the extent necessary, (ii) alter the terms of the transaction to avoid the registration requirements of the Securities Act or (iii) direct the Depositary to take specific measures, in each case as contemplated in this Deposit Agreement, to prevent such transaction from violating the registration requirements of the Securities Act.

The Company agrees with the Depositary that neither the Company nor any of its Affiliates will at any time (i) deposit any CUFs or other Deposited Securities with the Custodian hereunder or Shares to be represented by CUFs with the CUFs Depositary, either upon original issuance or upon a sale of CUFs, Shares or other Deposited Securities previously issued and reacquired by the Company or by any such Affiliate, or (ii) issue additional Shares, rights to subscribe for such Shares, securities convertible into or exchangeable for Shares or rights to subscribe for such securities, unless such transaction and the securities issuable in such transaction are exempt from registration under the Securities Act or have been registered under the Securities Act (and such registration statement has been declared effective).

Notwithstanding anything else contained in this Deposit Agreement, nothing in this Deposit Agreement shall be deemed to obligate the Company to file any registration statement in respect of any proposed transaction.

SECTION 5.8 Indemnification. The Company agrees to indemnify the Depository, any Custodian and each of their respective directors, officers, employees, agents and Affiliates against, and hold each of them harmless from, any losses, liabilities, taxes, costs, claims, judgments, proceedings, actions, demands and any charges or expenses of any kind whatsoever (including, but not limited to, reasonable fees and expenses of counsel and, in each case, any value added taxes and any similar taxes charged or otherwise imposed in respect thereof) (collectively referred to as "Losses") which the Depository or any agent thereof may incur or which may be made against it as a result of or in connection with its appointment or the exercise of its powers and duties under this Deposit Agreement or that may arise (a) out of or in connection with any offer, issuance, sale, resale, transfer, deposit or withdrawal of Receipts, American Depositary Shares, the CUFS, the Shares represented thereby, or other Deposited Securities, as the case may be, (b) out of or in connection with any offering documents in respect thereof or (c) out of or in connection with acts performed or omitted, including, but not limited to, any delivery by the Depository on behalf of the Company of information regarding the Company in connection with this Deposit Agreement, the Receipts, the American Depositary Shares, the Shares, or any Deposited Securities, in any such case (i) by the Depository, the Custodian or any of their respective directors, officers, employees, agents and Affiliates, except to the extent any such Losses directly arise out of the gross negligence or willful misconduct of any of them, or (ii) by the Company or any of its directors, officers, employees, agents and Affiliates.

Subject to the next paragraph below, the Depository shall indemnify, defend and hold harmless the Company against any Losses incurred by the Company in respect of this Deposit Agreement to the extent such loss, liability or expense is due to the negligence or willful misconduct of the Depository or its Agents acting in such capacity hereunder.

In no event shall the Company or the Depository or any of their respective directors, officers, employees, agents (including, without limitation, its Agents) and/or Affiliates, or any of them, be liable to the other for any Special Damages.

Any person seeking indemnification hereunder (an "Indemnified Person") shall notify the person from whom it is seeking indemnification (the "Indemnifying Person") of the commencement of any indemnifiable action or claim promptly after such Indemnified Person becomes aware of such commencement (provided that the failure to make such notification shall not affect such Indemnified Person's rights to indemnification except to the extent the Indemnifying Person is materially prejudiced by such failure) and shall consult in good faith with the Indemnifying Person as to the conduct of the defense of such action or claim that may give rise to an indemnity hereunder, which defense shall be reasonable under the circumstances. No Indemnified Person shall compromise or settle any action or claim that may give rise to an indemnity hereunder without the consent of the Indemnifying Person, which consent shall not be unreasonably withheld.

The obligations set forth in this Section shall survive the termination of this Deposit Agreement and the succession or substitution of any party hereto.

SECTION 5.9 Fees and Charges of Depositary. The Company, the Holders, the Beneficial Owners, and persons depositing CUFS or surrendering ADSs for cancellation and withdrawal of Deposited Securities shall be required to pay to the Depositary the Depositary's fees and related charges identified as payable by them respectively as provided for under Article (9) of the Receipt. All fees and charges so payable may, at any time and from time to time, be changed by agreement between the Depositary and the Company, but, in the case of fees and charges payable by Holders and Beneficial Owners, only in the manner contemplated in Section 6.1. The Depositary shall provide, without charge, a copy of its latest fee schedule to anyone upon request.

The Depositary and the Company may reach separate agreement in relation to the payment of any additional remuneration to the Depositary in respect of any exceptional duties which the Depositary finds necessary or desirable and agreed by both parties in the performance of its obligations hereunder and in respect of the actual costs and expenses of the Depositary in respect of any notices required to be given to the Holders in accordance with Section 6.1 hereof.

In connection with any payment by the Company to the Depositary:

- (i) all fees, taxes, duties, charges, costs and expenses which are payable by the Company shall be paid or be procured to be paid by the Company (and any such amounts which are paid by the Depositary shall be reimbursed to the Depositary by the Company upon demand therefor); and
- (ii) such payment shall be subject to all necessary exchange control and other consents and approvals having been obtained. The Company undertakes to use its reasonable endeavours to obtain all necessary approvals that are required to be obtained by it in this connection.

The Company agrees to promptly pay to the Depositary such other expenses, fees and charges and to reimburse the Depositary for such out-of-pocket expenses as the Depositary and the Company may agree to from time to time or as are incurred in accordance herewith. Responsibility for payment of such charges may at any time and from time to time be changed by agreement between the Company and the Depositary. In the discretion of the Depositary, the Depositary shall present its statement for such expenses and fees or charges to the Company upon receipt or payment of any relevant invoice by the Depositary, once every three months, semiannually or annually.

All payments by the Company to the Depository under this Section 5.9 shall be paid without set-off or counterclaim, and free and clear of and without deduction or withholding for or on account of, any present or future taxes, levies, imports, duties, fees, assessments or other charges of whatever nature, imposed by law, rule, regulation, court, tribunal or by any department, agency or other political subdivision or taxing authority thereof or therein, and all interest, penalties or similar liabilities with respect thereto.

The right of the Depository to receive payment of fees, charges and expenses as provided above shall survive the termination of this Deposit Agreement. As to any Depository, upon the resignation or removal of such Depository as described in Section 5.4 hereof, such right shall extend for those fees, charges and expenses incurred prior to the effectiveness of such resignation or removal.

SECTION 5.10 Restricted Securities Owners. The Company agrees to advise in writing each of the persons or entities who, to the knowledge of the Company, holds Restricted Securities that such Restricted Securities are ineligible for deposit hereunder and, to the extent practicable, shall require each of such persons to represent in writing that such person will not deposit Restricted Securities hereunder. The Company shall inform Holders and Beneficial Owners and the Depository of any other limitations on ownership of Shares that the Holders and Beneficial Owners may be subject to by reason of the number of American Depositary Shares held under the constituent documents of the Company or, applicable Irish law, as such restrictions may be in force from time to time.

## ARTICLE VI

### AMENDMENT AND TERMINATION

SECTION 6.1 Amendment/Supplement. Subject to the terms and conditions of this Section 6.1 and applicable law, the Receipts outstanding at any time, the provisions of this Deposit Agreement and the form of Receipt attached hereto and to be issued under the terms hereof may at any time and from time to time be amended or supplemented by written agreement between the Company and the Depository in any respect which they may deem necessary or desirable without the consent of the Holders or Beneficial Owners. Any amendment or supplement which shall impose or increase any fees or charges (other than charges in connection with foreign exchange control regulations, and taxes and/or other governmental charges, delivery and other such expenses), or which shall otherwise materially prejudice any substantial existing right of Holders or Beneficial Owners, shall not, however, become effective as to outstanding Receipts until 30 days after notice of such amendment or supplement shall have been given to the Holders of outstanding Receipts. Notice of any amendment to the Deposit Agreement or form of Receipts shall not need to describe in detail the specific amendments effectuated thereby, and failure to describe the specific amendments in any such notice shall not render such notice invalid, provided, however, that, in each such case, the notice given to the Holders identifies a means for Holders and Beneficial Owners to retrieve or receive the text of such amendment (i.e., upon retrieval from the Commission's, the Depository's or the Company's website or upon request from the Depository). The parties hereto agree that any amendments or supplements which (i) are reasonably necessary (as agreed by the Company and the Depository) in order for (a) the American Depositary Shares to be registered on Form F-6 under the Securities Act or (b) the American Depositary Shares or the CUFS to be traded solely in electronic book-entry form and (ii) do not in either such case impose or increase any fees or charges to be borne by Holders, shall be deemed not to materially prejudice any substantial rights of Holders or Beneficial Owners. Every Holder and Beneficial Owner at the time any amendment or supplement so becomes effective shall be deemed, by continuing to hold such American Depositary Share or CUFS, to consent and agree to such amendment or supplement and to be bound by the Deposit Agreement as amended and supplemented thereby. In no event shall any amendment or supplement impair the right of the Holder to surrender such Receipt and receive therefor the Deposited Securities represented thereby, except in order to comply with mandatory provisions of applicable law. Notwithstanding the foregoing, if any governmental body should adopt new laws, rules or regulations which would require amendment or supplement of the Deposit Agreement to ensure compliance therewith, the Company and the Depository may amend or supplement the Deposit Agreement and the Receipt at any time in accordance with such changed laws, rules or regulations. Such amendment or supplement to the Deposit Agreement in such circumstances may become effective before a notice of such amendment or supplement is given to Holders or within any other period of time as required for compliance with such laws, rules or regulations.

SECTION 6.2            Termination. The Depositary shall, at any time at the written direction of the Company, terminate this Deposit Agreement by mailing notice of such termination to the Holders of all Receipts then outstanding at least 90 days prior to the date fixed in such notice for such termination, provided that, the Depositary shall be reimbursed for any amounts, fees, costs or expenses owed to it in accordance with the terms of this Deposit Agreement and in accordance with any other agreements as otherwise agreed in writing between the Company and the Depositary from time to time, before such termination shall take effect. If 90 days shall have expired after (i) the Depositary shall have delivered to the Company a written notice of its election to resign, or (ii) the Company shall have delivered to the Depositary a written notice of the removal of the Depositary, and in either case a successor depositary shall not have been appointed and accepted its appointment as provided in Section 5.4, the Depositary may terminate this Deposit Agreement by mailing notice of such termination to the Holders of all Receipts then outstanding at least 30 days prior to the date fixed for such termination. On and after the date of termination of this Deposit Agreement, the Holder will, upon surrender of such Receipt at the Principal Office of the Depositary, upon the payment of the charges of the Depositary for the surrender of Receipts referred to in Section 2.6 and subject to the conditions and restrictions therein set forth, and upon payment of any applicable taxes and/or governmental charges, be entitled to Delivery, to him or upon his order, of the amount of Deposited Securities represented by such Receipt. If any Receipts shall remain outstanding after the date of termination of this Deposit Agreement, the Registrar thereafter shall discontinue the registration of transfers of Receipts, and the Depositary shall suspend the distribution of dividends to the Holders thereof, and shall not give any further notices or perform any further acts under this Deposit Agreement, except that the Depositary shall continue to collect dividends and other distributions pertaining to Deposited Securities, shall sell rights or other property as provided in this Deposit Agreement, and shall continue to Deliver Deposited Securities, subject to the conditions and restrictions set forth in Section 2.6, together with any dividends or other distributions received with respect thereto and the net proceeds of the sale of any rights or other property, in exchange for Receipts surrendered to the Depositary (after deducting, or charging, as the case may be, in each case, the charges of the Depositary for the surrender of a Receipt, any expenses for the account of the Holder in accordance with the terms and conditions of this Deposit Agreement and any applicable taxes and/or governmental charges or assessments). At any time after the expiration of six months from the date of termination of this Deposit Agreement, the Depositary may sell the Deposited Securities then held hereunder and may thereafter hold uninvested the net proceeds of any such sale, together with any other cash then held by it hereunder, in an unsegregated account, without liability for interest for the pro rata benefit of the Holders of Receipts whose Receipts have not theretofore been surrendered. After making such sale, the Depositary shall be discharged from all obligations under this Deposit Agreement with respect to the Receipts and the Shares, Deposited Securities and American Depositary Shares, except to account for such net proceeds and other cash (after deducting, or charging, as the case may be, in each case, the charges of the Depositary for the surrender of a Receipt, any expenses for the account of the Holder in accordance with the terms and conditions of this Deposit Agreement and any applicable taxes and/or governmental charges or assessments). Upon the termination of this Deposit Agreement, the Company shall be discharged from all obligations under this Deposit Agreement except for its obligations to the Depositary hereunder. The obligations under the terms of the Deposit Agreement and Receipts of Holders and Beneficial Owners of ADSs outstanding as of the effective date of any termination shall survive such effective date of termination and shall be discharged only when the applicable ADSs are presented by their Holders to the Depositary for cancellation under the terms of the Deposit Agreement and the Holders have each satisfied any and all of their obligations hereunder (including, but not limited to, any payment and/or reimbursement obligations which relate to prior to the effective date of termination but which payment and/or reimbursement is claimed after such effective date of termination).

SECTION 7.3 Severability. In case any one or more of the provisions contained in this Deposit Agreement or in the Receipts should be or become invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein or therein shall in no way be affected, prejudiced or disturbed thereby.

SECTION 7.4 Holders and Beneficial Owners as Parties; Binding Effect. Any and all notices to be given to the Depositary shall be deemed to have been duly given if personally delivered or sent by mail, air courier or cable, telex, facsimile transmission or by electronic transmission (if agreed by the Company and the Depositary), at the Company's expense, unless otherwise agreed in writing between the Company and the Depositary, confirmed by letter, addressed to Deutsche Bank Trust Company Americas, 60 Wall Street, New York, New York 10005, USA Attention: ADR Department, telephone: (001) 212 250-9100, facsimile: (001) 732 544 6346 or to any other address which the Depositary may specify in writing to the Company.

Any and all notices to be given to any Holder shall be deemed to have been duly given if personally delivered or sent by mail or cable, telex, facsimile transmission or by electronic transmission (if agreed by the Company and the Depositary), at the Company's expense, unless otherwise agreed in writing between the Company and the Depositary, addressed to such Holder at the address of such Holder as it appears on the transfer books for Receipts of the Depositary, or, if such Holder shall have filed with the Depositary a written request that notices intended for such Holder be mailed to some other address, at the address specified in such request. Notice to Holders shall be deemed to be notice to Beneficial Owners for all purposes of this Deposit Agreement.

Delivery of a notice sent by mail, air courier or cable, telex, facsimile or electronic transmission shall be deemed to be effective at the time when a duly addressed letter containing the same (or a confirmation thereof in the case of a cable, telex, facsimile or electronic transmission) is deposited, postage prepaid, in a post-office letter box or delivered to an air courier service. The Depositary or the Company may, however, act upon any cable, telex, facsimile or electronic transmission received by it from the other or from any Holder, notwithstanding that such cable, telex, facsimile or electronic transmission shall not subsequently be confirmed by letter as aforesaid, as the case may be.

SECTION 7.6 Governing Law and Jurisdiction. This Deposit Agreement and the Receipts shall be interpreted in accordance with, and all rights hereunder and thereunder and provisions hereof and thereof shall be governed by, the laws of the State of New York without reference to the principles of choice of law thereof. Except as set forth in the following paragraph of this Section 7.6, the Company and the Depository agree that the federal or state courts in the City of New York shall have jurisdiction to hear and determine any suit, action or proceeding and to settle any dispute between them that may arise out of or in connection with this Deposit Agreement and, for such purposes, each irrevocably submits to the non-exclusive jurisdiction of such courts. The Company hereby irrevocably designates, appoints and empowers CT Corporation System (the "Process Agent") now at 111 Eighth Avenue, 13th Floor, New York, New York 10011, as its authorized agent to receive and accept for and on its behalf, and on behalf of its properties, assets and revenues, service by mail of any and all legal process, summons, notices and documents that may be served in any suit, action or proceeding brought against the Company in any federal or state court as described in the preceding sentence or in the next paragraph of this Section 7.6. If for any reason the Process Agent shall cease to be available to act as such, the Company agrees to designate a new agent in the City of New York on the terms and for the purposes of this Section 7.6 reasonably satisfactory to the Depository. The Company further hereby irrevocably consents and agrees to the service of any and all legal process, summons, notices and documents in any suit, action or proceeding against the Company, by service by mail of a copy thereof upon the Process Agent (whether or not the appointment of such Agent shall for any reason prove to be ineffective or such Process Agent shall fail to accept or acknowledge such service), with a copy mailed to the Company by registered or certified air mail, postage prepaid, to its address provided in Section 7.5 hereof. The Company agrees that the failure of the Process Agent to give any notice of such service to it shall not impair or affect in any way the validity of such service or any judgment rendered in any action or proceeding based thereon.

By holding a Receipt or American Depositary Share or an interest therein, Holders and Beneficial Owners each unconditionally and irrevocably agree that any legal suit, action or proceeding against or involving the Company or the Depository, arising out of or based upon this Deposit Agreement or the transactions contemplated hereby, may only be instituted in a state or federal court in New York, New York, and by holding a Receipt or American Depositary Share or an interest therein each irrevocably waives any objection which it may now or hereafter have to the laying of venue of any such proceeding, and irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action or proceeding.

The Company irrevocably and unconditionally waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of venue of any actions, suits or proceedings brought in any court as provided in this Section 7.6, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

EACH PARTY TO THE DEPOSIT AGREEMENT (INCLUDING, FOR AVOIDANCE OF DOUBT, EACH HOLDER AND BENEFICIAL OWNER AND/OR HOLDER OF INTERESTS IN ADS) HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY SUIT, ACTION OR PROCEEDING AGAINST THE DEPOSITARY AND/OR THE COMPANY DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THE CUFSS OR OTHER DEPOSITED SECURITIES, THE ADSs OR THE ADSs, THE DEPOSIT AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREIN OR THEREIN, OR THE BREACH HEREOF OR THEREOF (WHETHER BASED ON CONTRACT, TORT, COMMON LAW OR ANY OTHER THEORY).

The provisions of this Section 7.6 shall survive any termination of this Deposit Agreement, in whole or in part.

SECTION 7.7            Assignment. Subject to the provisions of Section 5.4 hereof, this Deposit Agreement may not be assigned by either the Company or the Depositary.

SECTION 7.8            Compliance with U.S. Securities Laws. Notwithstanding anything in this Deposit Agreement to the contrary, the withdrawal or Delivery of Deposited Securities will not be suspended by the Company or the Depositary except as would be permitted by Instruction I.A.(1) of the General Instructions to Form F-6 Registration Statement, as amended from time to time, under the Securities Act.

SECTION 7.9            Titles; References. All references in this Deposit Agreement to exhibits, articles, sections, subsections, and other subdivisions refer to the exhibits, articles, sections, subsections and other subdivisions of this Deposit Agreement unless expressly provided otherwise. The words "this Deposit Agreement", "herein", "hereof", "hereby", "hereunder", and words of similar import refer to the Deposit Agreement as a whole as in effect between the Company, the Depositary and the Holders and Beneficial Owners of ADSs and not to any particular subdivision unless expressly so limited. Pronouns in masculine, feminine and neuter gender shall be construed to include any other gender, and words in the singular form shall be construed to include the plural and vice versa unless the context otherwise requires. Titles to sections of this Deposit Agreement are included for convenience only and shall be disregarded in construing the language contained in this Deposit Agreement. References herein to the laws of Ireland shall include references to the laws, rules and regulations of Ireland and any and all communities, provinces and states thereof.

SECTION 7.10          Agents. The Depositary shall be entitled, in its sole but reasonable discretion, to appoint one or more agents of which it shall have control for the purpose, *inter alia*, of making distributions to the Holders or otherwise carrying out its obligations under this Deposit Agreement.

SECTION 7.11 Exclusivity. The Company agrees not to appoint any other depository for the issuance or administration of depositary receipts evidencing any class of stock of the Company so long as Deutsche Bank Trust Company Americas is acting as Depository hereunder.

SECTION 7.12 Amendment and Restatement of Old Deposit Agreement. This Deposit Agreement amends and restates the Old Deposit Agreement in its entirety to consist exclusively of this Deposit Agreement, and each Old Receipt is hereby deemed amended and restated to substantially conform to the form of Receipt set forth in Exhibit A annexed hereto, except that, to the extent any portion of either such amendment and restatement would prejudice any substantial existing right of owners of Old Receipts, such portion shall not become effective as to such owners until 30 days after such owners shall have received notice thereof, such notice to be conclusively deemed given upon the mailing to such owners of notice of such amendment and restatement which notice contains a provision whereby such owners can receive a copy of the form of Receipt.

SECTION 7.13 Summary in Respect of CHES and CUFS. The American Depositary Shares represent deposited CUFS. The Receipt shall contain the following description of CHES and CUFS prepared by the Company:

CHES

CHES facilitates the transfer of legal title and settlement of market transactions in Australia with an electronic subregister system. CHES, insofar as it facilitates settlement of transactions in respect of CUFS, is operated by ASX Settlement Pty Limited (herein called ASX Settlement) and allows title to be validly transferred electronically by virtue of provisions in the Australian Corporations Act 2001 (herein called the Australian Corporations Act) and the ASX Settlement Rules. Shares of the Company cannot be directly transferred and held through CHES, but may be transferred and held indirectly in CHES through the issue of CUFS.

CUFS

CUFS are a unit of beneficial ownership in a security of a foreign issuer such as the Company, registered in the name of the depository nominee. The depository nominee for the Company is CHES Depository Nominees Pty Limited (herein called the CUFS Depository). The CUFS Depository is a subsidiary of ASX Limited (herein called the ASX). The principal executive office of the CUFS Depository is located as of the date of the Deposit Agreement at Level 8, 20 Bridge Street, Sydney NSW 2000, Australia.

The Articles of Association of the Company, together with the laws of Ireland where the Company is incorporated, contain certain provisions that are relevant to CUFS holders, including, without limitation, any provisions therein relating to substantial shareholdings and any provisions therein relating to a change in control of the Company. In addition, the terms and conditions relating to CUFS are determined in accordance with the Australian Corporations Act and the ASX Settlement Rules. Those principal terms and conditions are briefly described as follows:

- (i) Title to CUFS

Each CUFS represents a unit of beneficial ownership in one Share. Legal title to the underlying Shares will be held by the CUFS Depository on behalf and for the benefit of CUFS holders.

(ii) Voting

CUFS holders are entitled to direct the CUFS Depository as to how to exercise the voting rights with respect to the underlying Shares represented by the CUFS.

(iii) Economic Entitlements

CUFS holders are entitled to receive from the Company directly all dividends, bonus issues, rights issues and any other economic entitlements in respect of the underlying Shares represented by the CUFS as if they were the legal owners of the Shares, to the extent permitted by the laws of the place of the Company's incorporation.

(iv) Fees

The CUFS Depository shall charge no fees or expenses to the CUFS holder for its services. In the event fees or expenses are accrued in connection with the services provided by the CUFS Depository, such fees and expenses shall be paid by the Company to the CUFS Depository.

(v) Immobilization of Shares

The certificate issued to the CUFS Depository as evidence of its legal title to Shares is held by the Company for safekeeping. The CUFS Depository may not create any interest (including a security interest) which is inconsistent with its title to the Shares and the interests of the holders of CUFS in respect of Shares unless authorized by the ASX Settlement Rules.

(vi) Evidence of Ownership

The holders of CUFS will not receive physical certificates. The Company will register the Shares in the name of the CUFS Depository and the CUFS Depository will create uncertificated CUFS holdings in the names of the holders. Statements of beneficial ownership will be issued to all CUFS holders, including to the Custodian, on behalf of holders of Receipts.

CUFS holders who are sponsored by brokers or non-brokers that participate in CHESS will receive periodic Holding Statements. The Custodian, as a sponsored CUFS holder, shall receive periodic Holding Statements. ASX Settlement will issue the Holding Statements on behalf of the CUFS Depository. CUFS holders who are sponsored by the Company will receive uncertificated holding statements from the Company's Australian registry on behalf of the CUFS Depository.

(vii) Converting CUFS to Shares

A holder of CUFS in CHES who wishes to convert CUFS to Shares of the Company can do so by instructing its sponsoring CHES participant (ie, broker or non-broker participant). The participant transmits a CHES message to the Company's registry instructing the registry to transfer the Shares from the CUFS Depository into the name of the holder. The transfer is effected by a written instrument signed by the CUFS Depository, as transferor, and the CUFS holder, as transferee, to which instrument the Company is a signatory or which instrument is served upon, or acknowledged by, the Company. The Company will then record the holder as registered owner of the Shares on the shareholder register and will, if required, issue a certificate to the holder. Holders should note that Shares (as opposed to CUFS) cannot be held or transferred on the ASX via CHES.

Holders of Shares who wish to convert Shares back to CUFS in CHES, can do so by lodging the Share certificate, if applicable, with their sponsoring CHES participant and signing the seller side of an Australian standard transfer form. The participant lodges the Share certificate and transfer form with the Company's registry and transmits a CHES message to the Company's registry instructing the registry to establish a CHES holding. The registry then transfers the securities from the holder's name into the name of the CUFS Depository and establishes a CUFS holding in the name of the holder. ASX Settlement, on behalf of the CUFS Depository, issues a Holding Statement to the CUFS holders.

IN WITNESS WHEREOF, JAMES HARDIE INDUSTRIES PLC and DEUTSCHE BANK TRUST COMPANY AMERICAS have duly executed this Deposit Agreement as of the day and year first above set forth and all Holders and Beneficial Owners shall become parties hereto upon acceptance by them of American Depositary Shares evidenced by Receipts issued in accordance with the terms hereof.

JAMES HARDIE INDUSTRIES PLC

(Incorporated under the laws of Ireland)

DEUTSCHE BANK TRUST COMPANY AMERICAS, as depositary (herein called the "Depositary"), hereby certifies that \_\_\_\_\_ is the owner of \_\_\_\_\_ American Depositary Shares (hereinafter "ADSs" or "American Depositary Shares"), representing deposited CHESSE Units of Foreign Securities (herein called "CUFS") representing ordinary shares ("Shares"), including evidence of rights to receive such CUFS or Shares of James Hardie Industries plc (the "Company"), a company incorporated under the laws of Ireland (the "Company"). As of the date of the Deposit Agreement (hereinafter referred to), each ADS represents five CUFS deposited under the Deposit Agreement with the Custodian which at the date of execution of the Deposit Agreement (defined below) is National Nominees Limited (the "Custodian"). The ratio of ADSs to CUFS is subject to subsequent amendment as provided in Article VI of the Deposit Agreement. The Depositary's Principal Office is located at 60 Wall Street, New York, New York 10005, U.S.A.

(1) The Deposit Agreement. This American Depositary Receipt is one of an issue of American Depositary Receipts ("Receipts"), all issued and to be issued upon the terms and conditions set forth in the Amended and Restated Deposit Agreement, dated as of [\_\_\_\_\_], 2014 (as amended from time to time, the "Deposit Agreement"), by and among the Company, the Depositary, and all Holders and Beneficial Owners from time to time of Receipts issued thereunder, each of whom by accepting a Receipt agrees to become a party thereto and becomes bound by all the terms and conditions thereof. The Deposit Agreement sets forth the rights and obligations of Holders and Beneficial Owners of Receipts and the rights and duties of the Depositary in respect of the CUFS deposited thereunder and any and all other securities, property and cash from time to time, received in respect of such CUFS and held thereunder (such CUFS, other securities, property and cash are herein called "Deposited Securities"). Copies of the Deposit Agreement are on file at the Principal Office of the Depositary and the Custodian.

Each owner and each Beneficial Owner, upon acceptance of any ADSs (or any interest therein) issued in accordance with the terms and conditions of the Deposit Agreement, shall be deemed for all purposes to (a) be a party to and bound by the terms of the Deposit Agreement and applicable ADR(s), and (b) appoint the Depositary its attorney-in-fact, with full power to delegate, to act on its behalf and to take any and all actions contemplated in the Deposit Agreement and applicable ADR(s), to adopt any and all procedures necessary to comply with applicable law and to take such action as the Depositary in its sole discretion may deem necessary or appropriate to carry out the purposes of the Deposit Agreement and the applicable ADR(s), the taking of such actions to be the conclusive determinant of the necessity and appropriateness thereof.

The statements made on the face and reverse of this Receipt are summaries of certain provisions of the Deposit Agreement and the Company's constituent documents (as in effect on the date of the Deposit Agreement) and are qualified by and subject to the detailed provisions of the Deposit Agreement, to which reference is hereby made. All capitalized terms used herein which are not otherwise defined herein shall have the meanings ascribed thereto in the Deposit Agreement. To the extent there is any inconsistency between the terms of this Receipt and the terms of the Deposit Agreement, the terms of the Deposit Agreement shall prevail. Prospective and actual Holders and Beneficial Owners are encouraged to read the terms of the Deposit Agreement. The Depositary makes no representation or warranty as to the validity or worth of the Deposited Securities. The Depositary has made arrangements for the acceptance of the ADSs into DTC. Each Beneficial Owner of ADSs held through DTC must rely on the procedures of DTC and the DTC Participants to exercise and be entitled to any rights attributable to such ADSs. The Receipt evidencing the ADSs held through DTC will be registered in the name of a nominee of DTC. So long as the ADSs are held through DTC or unless otherwise required by law, ownership of beneficial interests in the Receipt registered in the name of DTC (or its nominee) will be shown on, and transfers of such ownership will be effected only through, records maintained by (i) DTC (or its nominee), or (ii) DTC Participants (or their nominees).

(2) Surrender of Receipts and Withdrawal of Deposited Securities. Upon surrender, at the Principal Office of the Depositary, of American Depositary Shares for the purpose of withdrawal of the Deposited Securities represented thereby, and upon payment of (i) the fees and charges of the Depositary for the making of withdrawals of Deposited Securities and cancellation of Receipts (as set forth in Article (9) hereof and Section 5.9 of the Deposit Agreement) and (ii) all applicable taxes and/or governmental charges payable in connection with such surrender and withdrawal, and subject to the terms and conditions of the Deposit Agreement, the Company's constituent documents, the requirements of the CUFS Depositary, Section 7.8 of the Deposit Agreement, Article (22) of this Receipt and any other provisions of or governing the Deposited Securities and other applicable laws, the Holder shall be entitled to Delivery, to him or upon his order, of the Deposited Securities at the time represented by the American Depositary Shares so surrendered. American Depositary Shares may be surrendered for the purpose of withdrawing Deposited Securities by Delivery of a Receipt evidencing such American Depositary Shares (if held in certificated form) or by book-entry Delivery of such American Depositary Shares to the Depositary.

A Receipt surrendered for such purposes shall, if so required by the Depository, be properly endorsed in blank or accompanied by proper instruments of transfer in blank, and if the Depository so requires, the Holder thereof shall execute and deliver to the Depository a written order directing the Depository to cause the Deposited Securities being withdrawn to be Delivered to or upon the written order of a person or persons designated in such order. Thereupon, the Depository shall direct the Custodian to Deliver (without unreasonable delay) at the designated office of the Custodian or through a book entry Delivery of the CUFS (in either case, subject to Sections 2.7, 3.1, 3.2, 5.9 of the Deposit Agreement, and to the other terms and conditions of the Deposit Agreement, to the Company's constituent documents, to the provisions of or governing the Deposited Securities and to applicable laws, now or hereafter in effect) to or upon the written order of the person or persons designated in the order delivered to the Depository as provided above, the Deposited Securities represented by such American Depositary Shares, together with any certificate or other proper documents of or relating to title of the Deposited Securities as may be legally required, as the case may be, to or for the account of such person.

The Depository may, in its discretion, refuse to accept for surrender a number of American Depositary Shares representing a number other than a whole number of CUFS. In the case of surrender of a Receipt evidencing a number of American Depositary Shares representing other than a whole number of CUFS, the Depository shall cause ownership of the appropriate whole number of CUFS to be Delivered in accordance with the terms of the Deposit Agreement and hereof, and shall, at the discretion of the Depository, either (i) issue and Deliver to the person surrendering such Receipt a new Receipt evidencing American Depositary Shares representing any remaining fractional CUFS, or (ii) sell or cause to be sold the fractional CUFS represented by the Receipt surrendered and remit the proceeds of such sale (net of (a) applicable fees and charges of, and expenses incurred by, the Depository and (b) taxes and governmental charges) to the person surrendering the Receipt.

At the request, risk and expense of any Holder so surrendering a Receipt, and for the account of such Holder, the Depository shall direct the Custodian to forward (to the extent permitted by law) any cash or other property (other than securities) held in respect of, and any certificate or certificates (if any) and other proper documents of or relating to title to, the Deposited Securities represented by such Receipt to the Depository for Delivery at the Principal Office of the Depository, and for further Delivery to such Holder. Such direction shall be given by letter or, at the request, risk and expense of such Holder, by cable, telex, electronic or facsimile transmission. Upon receipt by the Depository, the Depository may make delivery to such person or persons entitled thereto at the Principal Office of the Depository of any dividends or cash distributions with respect to the Deposited Securities represented by such American Depositary Shares, or of any proceeds of sale of any dividends, distributions or rights, which may at the time be held by the Depository.

(3) Transfers, Split-Ups and Combinations of Receipts. Subject to the terms and conditions of the Deposit Agreement, the Depository or, if a Registrar (other than the Depository) for the Receipts shall have been appointed, the Registrar shall register transfers of Receipts on its books, upon surrender at the Principal Office of the Depository of a Receipt by the Holder thereof in person or by duly authorized attorney, properly endorsed (in the case of a certificated Receipt) or accompanied by, or in the case of DRS/Profile Receipts receipt by the Depository of, proper instruments of transfer (including signature guarantees in accordance with standard industry practice) and duly stamped as may be required by the laws of the State of New York and of the United States of America and of any other applicable jurisdiction. Subject to the terms and conditions of the Deposit Agreement, including payment of the applicable fees and charges of the Depository, the Depository shall execute a new Receipt or Receipts (and, if necessary, cause the Registrar to countersign such Receipt(s)) and deliver the same to or upon the order of the person entitled to such Receipts evidencing the same aggregate number of ADSs as those evidenced by the Receipts surrendered. Upon surrender of a Receipt or Receipts for the purpose of effecting a split-up or combination of such Receipt or Receipts upon payment of the applicable fees and charges of the Depository, and subject to the terms and conditions of the Deposit Agreement, the Depository shall execute and deliver a new Receipt or Receipts for any authorized number of ADSs requested, evidencing the same aggregate number of ADSs as the Receipt or Receipts surrendered.

(4) Pre-Conditions to Registration, Transfer, Etc. As a condition precedent to the execution and Delivery, registration, registration of transfer, split-up, subdivision combination or surrender of any Receipt, the delivery of any distribution thereon or withdrawal of any Deposited Securities, the Depository or the Custodian may require (i) payment from the depositor of CUFS or presenter of the Receipt of a sum sufficient to reimburse it for any tax or other governmental charge and any stock transfer or registration fee with respect thereto (including any such tax or charge and fee with respect to CUFS being deposited or withdrawn) and payment of any applicable fees and charges of the Depository as provided in Article (9) hereof and Section 5.9 of the Deposit Agreement, (ii) the production of proof satisfactory to it as to the identity and genuineness of any signature or any other matter contemplated by Section 3.1 of the Deposit Agreement and (iii) compliance with (A) any laws or governmental regulations relating to the execution and Delivery of Receipts or American Depositary Shares or to the withdrawal or Delivery of Deposited Securities and (B) such reasonable regulations and procedures as the Depository may establish consistent with the provisions of the Deposit Agreement and applicable law.

The issuance of ADSs against deposits of CUFS generally or against deposits of particular CUFS may be suspended, or the issuance of ADSs against the deposit of particular CUFS may be withheld, or the registration of transfer of Receipts in particular instances may be refused, or the registration of transfers of Receipts generally may be suspended, during any period when the transfer books of the Depository are closed or if any such action is deemed necessary or advisable by the Depository or the Company, in good faith, at any time or from time to time because of any requirement of law, any government or governmental body or commission or any securities exchange on which the Receipts or CUFS are listed, or under any provision of the Deposit Agreement or provisions of, or governing, the Deposited Securities, or any meeting of shareholders of the Company or for any other reason, subject in all cases to Article (22) hereof.

(5) Compliance With Information Requests. Notwithstanding any other provision of the Deposit Agreement, the constituent documents of the Company and applicable law, each Holder and Beneficial Owner agrees to (a) provide such information as the Company or the Depositary may request pursuant to law (including, without limitation, relevant Irish law, Australian law, any applicable law of the United States, the constituent documents of the Company, any resolutions of the Company's Board of Directors adopted pursuant to such constituent documents, the requirements of any markets or exchanges upon which the CUFS, ADSs or Receipts are listed or traded, the terms of the CHES Depositary or to any requirements of any electronic book-entry system by which the ADSs or Receipts may be transferred), regarding the capacity in which they own or owned Receipts, the identity of any other persons then or previously interested in such Receipts and the nature of such interest, and any other applicable matters, and (b) be bound by and subject to applicable provisions of the laws of Ireland, the constituent documents of the Company and the requirements of any markets or exchanges upon which the ADSs, Receipts or CUFS are listed or traded, or pursuant to any requirements of any electronic book-entry system by which the ADSs, Receipts or CUFS may be transferred, to the same extent as if such Holder and Beneficial Owner held CUFS directly, in each case irrespective of whether or not they are Holders or Beneficial Owners at the time such request is made and (c) without limiting the generality of the foregoing, comply with all applicable provisions of Irish law, the rules and requirements of any stock exchange on which the CUFS are, or will be registered, traded or listed and the Company's constituent documents regarding any such Holder or Beneficial Owner's interest in CUFS (including the aggregate of ADSs and CUFS held by each such Holder or Beneficial Owner) and/or the disclosure of interests therein, whether or not the same may be enforceable against such Holder or Beneficial Owner. Each Holder and Beneficial Owner of ADSs further agrees to furnish the Company and the Depositary with any such notification made in accordance with this Article (5) and to comply with requests for information from the Company or the Depositary pursuant to the laws of Ireland, the rules and requirements of any stock exchange on which the CUFS are, or will be registered, traded or listed, and the Company's constituent documents, whether or not they are Holders and/or Beneficial Owners at the time of such request. The Depositary agrees to use its reasonable efforts to forward upon the request of the Company, and at the Company's expense, any such request from the Company to the Holders and to forward to the Company any such responses to such requests received by the Depositary.

(6) Liability of Holder for Taxes, Duties and Other Charges. If any present or future tax or other governmental charge shall become payable by the Depositary or the Custodian with respect to any CUFS (or the Shares represented thereby), Deposited Securities, Receipts or ADSs, such tax or other governmental charge shall be payable by the Holders and Beneficial Owners to the Depositary and such Holders and Beneficial Owners shall be deemed liable therefor. The Company, the Custodian and/or the Depositary may withhold or deduct from any distributions made in respect of Deposited Securities and may sell for the account of a Holder and/or Beneficial Owner any or all of the Deposited Securities and apply such distributions and sale proceeds in payment of such taxes (including applicable interest and penalties) or charges, with the Holder and the Beneficial Owner remaining fully liable for any deficiency. In addition to any other remedies available to it, the Depositary and the Custodian may refuse the deposit of CUFS, and the Depositary may refuse to issue ADSs, to Deliver ADRs, register the transfer, split-up or combination of ADRs and (subject to Article (22) hereof) the withdrawal of Deposited Securities, until payment in full of such tax, charge, penalty or interest is received. Every Holder and Beneficial Owner agrees to, and shall, indemnify the Depositary, the Company, the Custodian and each and every of their respective officers, directors, employees, agents and Affiliates against, and hold each of them harmless from, any claims with respect to taxes, additions to tax (including applicable interest and penalties thereon) arising out of any refund of taxes, reduced rate of withholding at source or other tax benefit obtained for or by such Holder and/or Beneficial Owner. The obligations of Holders and Beneficial Owners of Receipts under this Article (6) shall survive any transfer of Receipts, any surrender of Receipts and withdrawal of Deposited Securities, or the termination of the Deposit Agreement.

Holders understand that in converting Foreign Currency, amounts received on conversion are calculated at a rate which may exceed the number of decimal places used by the Depositary to report distribution rates (which in any case will not be less than two decimal places). Any excess amount may be retained by the Depositary as an additional cost of conversion, irrespective of any other fees and expenses payable or owing hereunder and shall not be subject to escheatment.

(7) Representations and Warranties of Depositors. Each person depositing CUFS under the Deposit Agreement shall be deemed thereby to represent and warrant that (i) such CUFS and the certificates (if any) therefor are duly authorized, validly issued, fully paid, non-assessable and were legally obtained by such person, (ii) all preemptive (and similar) rights, if any, with respect to such CUFS (and the Shares represented thereby) have been validly waived or exercised, (iii) the person making such deposit is duly authorized so to do, (iv) the CUFS (and the Shares represented thereby) presented for deposit are free and clear of any lien, encumbrance, security interest, charge, mortgage or adverse claim, and are not, and the American Depositary Shares issuable upon such deposit will not be, Restricted Securities and (v) the CUFS (and the Shares represented thereby) presented for deposit have not been stripped of any rights or entitlements. Such representations and warranties shall survive the deposit and withdrawal of CUFS, the issuance and cancellation of American Depositary Shares in respect thereof and the transfer of such American Depositary Shares. If any such representations or warranties are false in any way, the Company and the Depositary shall be authorized, at the cost and expense of the person depositing CUFS, to take any and all actions necessary to correct the consequences thereof.

(8) Filing Proofs, Certificates and Other Information. Any person presenting Shares for deposit, any Holder and any Beneficial Owner may be required, and every Holder and Beneficial Owner agrees, from time to time to provide to the Depositary or the Custodian such proof of citizenship or residence, taxpayer status, payment of all applicable taxes or other governmental charges, exchange control approval, information relating to the registration on the CHESSE Subregister if applicable, legal or beneficial ownership of ADSs and Deposited Securities, compliance with applicable laws and the terms of the Deposit Agreement and the provisions of, or governing, the Deposited Securities or other information; to execute such certifications and to make such representations and warranties, and to provide such other information and documentation, in all cases as the Depositary may deem necessary or proper or as the Company may reasonably require by written request to the Depositary consistent with its obligations hereunder. The Depositary and the Registrar, as applicable, may withhold the execution or Delivery or registration of transfer of any Receipt or the distribution or sale of any dividend or distribution of rights or of the proceeds thereof, or to the extent not limited by the terms of Article (22) hereof, the Delivery of any Deposited Securities, until such proof or other information is filed or such certifications are executed, or such representations and warranties are made, or such other documentation or information provided, in each case to the Depositary's and the Company's satisfaction. The Depositary shall from time to time on the written request advise the Company of the availability of any such proofs, certificates or other information and shall, at the Company's sole expense, provide or otherwise make available copies thereof to the Company upon written request therefor by the Company, unless such disclosure is prohibited by law. Each Holder and Beneficial Owner agrees to provide any information requested by the Company or the Depositary pursuant to this paragraph. Nothing herein shall obligate the Depositary to (i) obtain any information for the Company if not provided by the Holders or Beneficial Owners or (ii) verify or vouch for the accuracy of the information so provided by the Holders or Beneficial Owners.

(9) Charges of Depositary. The Depositary shall charge the following fees for the services performed under the terms of the Deposit Agreement; provided, however, that no fees shall be payable upon distribution of cash dividends so long as the charging of such fee is prohibited by the exchange, if any, upon which the ADSs are listed:

(i) to any person to whom ADSs are issued or to any person to whom a distribution is made in respect of ADS distributions pursuant to stock dividends or other free distributions of stock, bonus distributions, stock splits or other distributions (except where converted to cash), a fee not in excess of U.S. \$ 5.00 per 100 ADSs (or fraction thereof) so issued under the terms of the Deposit Agreement to be determined by the Depositary;

(ii) to any person surrendering ADSs for cancellation and withdrawal of Deposited Securities including, *inter alia*, cash distributions made pursuant to a cancellation or withdrawal, a fee not in excess of U.S. \$ 5.00 per 100 ADSs (or fraction thereof) so surrendered;

(iii) to any holder of ADSs (including, without limitation, Holders), a fee not in excess of U.S. \$ 5.00 per 100 ADSs held for the distribution of cash dividends;

(iv) to any holder of ADSs (including, without limitation, Holders), a fee not in excess of U.S. \$ 5.00 per 100 ADSs held for the distribution of cash entitlements (other than cash dividends) and/or cash proceeds, including proceeds from the sale of rights, securities and other entitlements;

(v) to any holder of ADSs (including, without limitation, Holders), a fee not in excess of U.S. \$ 5.00 per 100 ADSs (or portion thereof) issued upon the exercise of rights; and

(vi) for the operation and maintenance costs in administering the ADSs an annual fee of U.S. \$ 5.00 per 100 ADSs, such fee to be assessed against Holders of record as of the date or dates set by the Depositary as it sees fit and collected at the sole discretion of the Depositary by billing such Holders for such fee or by deducting such fee from one or more cash dividends or other cash distributions.

In addition, Holders, Beneficial Owners, persons depositing CUFS for deposit and persons surrendering ADSs for cancellation and withdrawal of Deposited Securities will be required to pay the following charges:

- (i) taxes (including applicable interest and penalties) and other governmental charges;
- (ii) such registration fees as may from time to time be in effect for the registration of transfers of CUFS generally on the CHESSE Subregister and applicable to transfers of CUFS to or from the name of the Depositary or its nominee or the Custodian or its nominee on the making of deposits or withdrawals hereunder, respectively;
- (iii) such cable, telex, facsimile and electronic transmission and delivery expenses as are expressly provided in the Deposit Agreement to be at the expense of the person depositing or withdrawing Shares or Holders and Beneficial Owners of ADSs;
- (iv) the expenses and charges incurred by the Depositary in the conversion of Foreign Currency;
- (v) such fees and expenses as are incurred by the Depositary in connection with compliance with exchange control regulations and other regulatory requirements applicable to CUFS, Shares, Deposited Securities, ADSs and ADRs;
- (vi) the fees and expenses incurred by the Depositary in connection with the delivery of Deposited Securities, including any fees of a central depository for securities in the local market, where applicable; and
- (vii) any additional fees, charges, costs or expenses that may be incurred from time to time by the Depositary and/or any of the Depositary's agents, including the Custodian, and/or agents of the Depositary's agents in connection with the servicing of CUFS, Shares, Deposited Securities and/or American Depositary Shares (such fees, charges, costs or expenses to be assessed against Holders of record as at the date or dates set by the Depositary as it sees fit and collected at the sole discretion of the Depositary by billing such Holders for such fee or by deducting such fee from one or more cash dividends or other cash distributions).

Any other charges and expenses of the Depositary under the Deposit Agreement will be paid by the Company upon agreement between the Depositary and the Company. All fees and charges may, at any time and from time to time, be changed by agreement between the Depositary and Company but, in the case of fees and charges payable by Holders or Beneficial Owners, only in the manner contemplated by Article (20) of this Receipt.

(10) Title to Receipts. It is a condition of this Receipt and every successive Holder and Beneficial Owner of this Receipt by accepting or holding the same consents and agrees, that title to this Receipt (and to each ADS evidenced hereby) is transferable by delivery of the Receipt, provided it has been properly endorsed or accompanied by proper instruments of transfer, such Receipt being a certificated security under the laws of the State of New York. Notwithstanding any notice to the contrary, the Depository may deem and treat the Holder of this Receipt (that is, the person in whose name this Receipt is registered on the books of the Depository) as the absolute owner hereof for the purpose of determining the person entitled to distributions of dividends or other distributions or to any notice provided for in the Deposit Agreement and for all other purposes. Neither the Depository nor the Company shall have any obligation or be subject to any liability under the Deposit Agreement or this Receipt to any holder of this Receipt unless such holder is the Holder of this Receipt registered on the books of the Depository.

(11) Validity of Receipt. This Receipt shall not be entitled to any benefits under the Deposit Agreement or be valid or obligatory for any purpose, unless this Receipt has been (i) dated, (ii) signed by the manual or facsimile signature of a duly authorized signatory of the Depository. Receipts bearing the manual or facsimile signature of a duly-authorized signatory of the Depository who was at any time a proper signatory of the Depository shall bind the Depository, notwithstanding the fact that such signatory has ceased to hold such office prior to the execution and delivery of such Receipt by the Depository or did not hold such office on the date of issuance of such Receipts.

(12) Available Information; Reports; Inspection of Transfer Books. The Company is subject to the periodic reporting requirements of the Exchange Act and accordingly files certain information with the Commission. These reports and documents can be inspected and copied at the public reference facilities maintained by the Commission located at the date of the Deposit Agreement at 100 F Street, N.E., Washington, D.C. 20549.

The Depository shall make available during normal business hours on any Business Day for inspection by Holders at its Principal Office any reports and communications, including any proxy soliciting materials, received from the Company which are both (a) received by the Depository, the Custodian, or the nominee of either of them as the holder of the Deposited Securities and (b) made generally available to the holders of such Deposited Securities by the Company.

The Depository or the Registrar, as applicable, shall keep books for the registration of Receipts and transfers of Receipts which at all reasonable times shall be open for inspection by the Company and by the Holders of such Receipts, provided that such inspection shall not be, to the Depository's or the Registrar's knowledge, for the purpose of communicating with Holders of such Receipts in the interest of a business or object other than the business of the Company or other than a matter related to the Deposit Agreement or the Receipts.

The Depository or the Registrar, as applicable, may close the transfer books with respect to the Receipts, at any time or from time to time, when deemed necessary or advisable by it in connection with the performance of its duties hereunder, subject, in all cases, to Article (22) hereof.

**[FORM OF REVERSE OF RECEIPT]**  
SUMMARY OF CERTAIN ADDITIONAL PROVISIONS  
OF THE DEPOSIT AGREEMENT

(13) Dividends and Distributions in Cash, Shares, etc. Whenever the Depository receives confirmation from the Custodian of receipt of any cash dividend or other cash distribution on any Deposited Securities, or receives proceeds from the sale of any Shares, rights, securities or other entitlements under the terms of the Deposit Agreement, the Depository will, if at the time of receipt thereof any amounts received in a Foreign Currency can in the judgment of the Depository (pursuant to Section 4.6 of the Deposit Agreement) be converted on a practicable basis into Dollars transferable to the United States, promptly convert or cause to be converted such cash dividend, distribution or proceeds into Dollars (on the terms described in Section 4.6 of the Deposit Agreement) and will distribute promptly the amount thus received (net of (a) the applicable fees and charges of, and expenses incurred by, the Depository and (b) taxes and governmental charges) to the Holders of record as of the ADS Record Date in proportion to the number of American Depositary Shares held by such Holders respectively as of the ADS Record Date. The Depository shall distribute only such amount, however, as can be distributed without attributing to any Holder a fraction of one cent. Any such fractional amounts shall be rounded to the nearest whole cent and so distributed to Holders entitled thereto. Holders and Beneficial Owners understand that in converting Foreign Currency, amounts received on conversion are calculated at a rate which exceeds three or four decimal places (the number of decimal places used by the Depository to report distribution rates). The excess amount may be retained by the Depository as an additional cost of conversion, irrespective of any other fees and expenses payable or owing hereunder and shall not be subject to escheatment. If the Company, the CUFS Depository, the Custodian or the Depository is required to withhold and does withhold from any cash dividend or other cash distribution in respect of any Deposited Securities an amount on account of taxes, duties or other governmental charges, the amount distributed to Holders on the American Depositary Shares representing such Deposited Securities shall be reduced accordingly. Such withheld amounts shall be forwarded by the Company, the Custodian or the Depository to the relevant governmental authority. Evidence of payment thereof by the Company shall be forwarded by the Company to the Depository upon request. The Depository will forward to the Company or the CUFS Depository such information from its records as the Company or CUFS Depository may reasonably request to enable the Company or the CUFS Depository to file necessary reports with governmental agencies, such reports necessary to obtain benefits under the applicable tax treaties for the Holders and Beneficial Owners of Receipts. Any Foreign Currency received by the Depository shall be converted upon the terms and conditions set forth in the Deposit Agreement.

If any distribution upon any Deposited Securities consists of a dividend in, or free distribution of, CUFS, the Company and/or CUFS Depository shall cause such CUFS to be deposited with the Custodian and registered, as the case may be, in the name of the Depository, the Custodian or any of their nominees. Upon receipt of confirmation of such deposit from the Custodian, the Depository shall establish the ADS Record Date and shall, subject to Article (9) hereof and Section 5.9 of the Deposit Agreement, either (i) distribute to the Holders as of the ADS Record Date in proportion to the number of American Depositary Shares held as of the ADS Record Date, additional American Depositary Shares, which represent in the aggregate the number of CUFS received as such dividend, or free distribution, subject to the other terms of the Deposit Agreement (including, without limitation, (a) the applicable fees and charges of, and expenses incurred by, the Depository and (b) taxes and/or governmental charges), or (ii) if additional American Depositary Shares are not so distributed, each American Depositary Share issued and outstanding after the ADS Record Date shall, to the extent permissible by law, thenceforth also represent rights and interests in the additional CUFS distributed upon the Deposited Securities represented thereby (net of (a) the applicable fees and charges of, and expenses incurred by, the Depository and (b) taxes and governmental charges). In lieu of Delivering fractional American Depositary Shares, the Depository shall sell the number of CUFS represented by the aggregate of such fractions and distribute the proceeds upon the terms described in Section 4.1 of the Deposit Agreement. The Depository may withhold any such distribution of Receipts if it has not received satisfactory assurances from the Company (including an opinion of counsel to the Company furnished at the expense of the Company) that such distribution does not require registration under the Securities Act or is exempt from registration under the provisions of the Securities Act. To the extent such distribution may be withheld, the Depository may dispose of all or a portion of such distribution in such amounts and in such manner, including by public or private sale, as the Depository deems necessary and practicable, and the Depository shall distribute the net proceeds of any such sale (after deduction of applicable (a) taxes and/or governmental charges and (b) fees and charges of, and expenses incurred by, the Depository) to Holders entitled thereto upon the terms described in Section 4.1 of the Deposit Agreement.

Whenever the Company intends to distribute a dividend payable at the election of the holders of CUFS in cash or in additional CUFS, the Company shall give notice thereof to the Depositary at least 30 days prior to the proposed distribution stating whether or not it wishes such elective distribution to be made available to Holders. Upon receipt of notice indicating that the Company wishes such elective distribution to be made available to Holders, the Depositary shall consult with the Company to determine, and the Company shall assist the Depositary in its determination, whether it is lawful and reasonably practicable to make such elective distribution available to the Holders. The Depositary shall make such elective distribution available to Holders only if (i) the Company shall have timely requested that the elective distribution is available to Holders of ADRs, (ii) the Depositary shall have determined that such distribution is reasonably practicable and (iii) the Depositary shall have received satisfactory documentation within the terms of Section 5.7 of the Deposit Agreement, without limitation, any legal opinions of counsel in any applicable jurisdiction that the Depositary in its reasonable discretion may request, at the expense of the Company. If the above conditions are not satisfied, the Depositary shall, to the extent permitted by law, distribute to the Holders, on the basis of the same determination as is made in the local market in respect of the Shares for which no election is made, either (x) cash upon the terms described in Section 4.1 of the Deposit Agreement or (y) additional ADSs representing such additional CUFS upon the terms described in Section 4.2 of the Deposit Agreement. If the above conditions are satisfied, the Depositary shall establish an ADS Record Date and establish procedures to enable Holders to elect the receipt of the proposed dividend in cash or in additional ADSs. The Company shall assist the Depositary in establishing such procedures to the extent necessary. Subject to Article (9) hereof, if a Holder elects to receive the proposed dividend (x) in cash, the dividend shall be distributed upon the terms described in Section 4.1 of the Deposit Agreement, or (y) in ADSs, the dividend shall be distributed upon the terms described in Section 4.2 of the Deposit Agreement. Nothing herein shall obligate the Depositary to make available to Holders a method to receive the elective dividend in CUFS (rather than ADSs). There can be no assurance that Holders generally, or any Holder in particular, will be given the opportunity to receive elective distributions on the same terms and conditions as the holders of CUFS.

Whenever the Company intends to distribute to the holders of the Deposited Securities rights to subscribe for additional Shares, the Company shall give notice thereof to the Depository at least 60 days prior to the proposed distribution stating whether or not it wishes such rights to be made available to Holders. Upon receipt of a notice indicating that the Company wishes such rights to be made available to Holders, the Depository shall consult with the Company to determine, and the Company shall determine, whether it is lawful and reasonably practicable to make such rights available to the Holders. The Depository shall make such rights available to Holders only if (i) the Company shall have timely requested that such rights be made available to Holders, (ii) the Depository shall have received satisfactory documentation within the terms of Section 5.7 of the Deposit Agreement, and (iii) the Depository shall have determined that such distribution of rights is lawful and reasonably practicable. In the event any of the conditions set forth above are not satisfied, the Depository shall proceed with the sale of the rights as contemplated in the next paragraph or, if timing or market conditions may not permit, do nothing thereby allowing such rights to lapse. In the event all conditions set forth above are satisfied, the Depository shall establish an ADS Record Date and establish procedures (x) to distribute such rights (by means of warrants or otherwise) and (y) to enable the Holders to exercise the rights (upon payment of applicable (a) fees and charges of, and expenses incurred by, the Depository and (b) taxes and/or other governmental charges). Nothing herein shall obligate the Depository to make available to the Holders a method to exercise such rights to subscribe for Shares (rather than ADSs). On the exercise of any rights extended to Holders, the Company shall cause the relevant security, if Shares, to be delivered to the CUFS Depository on behalf of such exercising Holders with instructions to issue CUFS representing such Shares and deliver them to the Custodian.

If (i) the Company does not timely request the Depository to make the rights available to Holders or requests that the rights not be made available to Holders, (ii) the Depository fails to receive satisfactory documentation within the terms of Section 5.7 of the Deposit Agreement or determines it is not lawful or reasonably practicable to make the rights available to Holders, or (iii) any rights made available are not exercised and appear to be about to lapse, the Depository shall determine whether it is lawful and reasonably practicable to sell such rights, and if it so determines that it is lawful and reasonably practicable, endeavor to sell such rights in a riskless principal capacity or otherwise, at such place and upon such terms (including public or private sale) as it may deem proper. The Company shall assist the Depository to the extent necessary to determine such legality and practicability. The Depository shall, upon such sale, convert and distribute proceeds of such sale (net of applicable (a) fees and charges of, and expenses incurred by, the Depository and (b) taxes and governmental charges) upon the terms set forth in Section 4.1 of the Deposit Agreement. Because Irish law presently does not contemplate the issuance of rights in negotiable form and the possibility of such issuance is unlikely, a liquid market for rights may not exist, and this may adversely affect (1) the ability of the Depository to dispose of such rights or (2) the amount the Depository would realize upon disposal of rights.

If the Depositary is unable to make any rights available to Holders upon the terms described in Section 4.4(a) or to arrange for the sale of the rights upon the terms described above, the Depositary shall allow such rights to lapse.

The Depositary shall not be responsible for (i) any failure to determine that it may be lawful or practicable to make such rights available to Holders in general or any Holders in particular, (ii) any foreign exchange exposure or loss incurred in connection with such sale, or exercise, or (iii) the content of any materials forwarded to the Holders on behalf of the Company in connection with the rights distribution.

Notwithstanding anything to the contrary in this Article (13) or in Section 4.4 of the Deposit Agreement, if registration (under the Securities Act and/or any other applicable law) of the rights or the securities to which any rights relate may be required in order for the Company to offer such rights or such securities to Holders and to sell the securities represented by such rights, the Depositary will not distribute such rights to the Holders (i) unless and until a registration statement under the Securities Act (and/or such other applicable law) covering such offering is in effect or (ii) unless the Company furnishes to the Depositary at the Company's own expense opinion(s) of counsel to the Company in the United States and counsel to the Company in any other applicable country in which rights would be distributed, in each case satisfactory to the Depositary, to the effect that the offering and sale of such securities to Holders and Beneficial Owners are exempt from, or do not require registration under, the provisions of the Securities Act or any other applicable laws. In the event that the Company, the CUFSS Depositary, the Depositary or the Custodian shall be required to withhold and does withhold from any distribution of property (including rights) an amount on account of taxes or other governmental charges, the amount distributed to the Holders shall be reduced accordingly. In the event that the Depositary determines that any distribution in property (including Shares and rights to subscribe therefor) is subject to any tax or other governmental charges which the Depositary is obligated to withhold, the Depositary may dispose of all or a portion of such property (including Shares and rights to subscribe therefor) in such amounts and in such manner, including by public or private sale, as the Depositary deems necessary and practicable to pay any such taxes and charges.

There can be no assurance that Holders generally, or any Holder in particular, will be given the opportunity to exercise rights on the same terms and conditions as the holders of Shares or be able to exercise such rights. Nothing herein shall obligate the Company to file any registration statement in respect of any rights or Shares or other securities to be acquired upon the exercise of such rights.

Whenever the Company or CUFSS Depositary intends to distribute to the holders of Deposited Securities property other than cash, CUFSSs or rights to purchase additional Shares (in the form of CUFSS), the Company shall give notice thereof to the Depositary at least 30 days prior to the proposed distribution and shall indicate whether or not it wishes such distribution to be made to Holders. Upon receipt of a notice indicating that the Company wishes such distribution be made to Holders, the Depositary shall determine whether such distribution to Holders is lawful and practicable. The Depositary shall not make such distribution unless (i) the Company shall have timely requested the Depositary to make such distribution to Holders, (ii) the Depositary shall have received satisfactory documentation within the terms of Section 5.7 of the Deposit Agreement, and (iii) the Depositary shall have determined that such distribution is reasonably practicable. Upon receipt of satisfactory documentation and the request of the Company to distribute property to Holders and after making the requisite determinations set forth above, the Depositary may distribute the property so received to the Holders of record as of the ADS Record Date, in proportion to the number of ADSs held by such Holders respectively and in such manner as the Depositary may deem practicable for accomplishing such distribution (i) upon receipt of payment or net of the applicable fees and charges of, and expenses incurred by, the Depositary, and (ii) net of any taxes and/or other governmental charges withheld. The Depositary may dispose of all or a portion of the property so distributed and deposited, in such amounts and in such manner (including public or private sale) as the Depositary may deem practicable or necessary to satisfy any taxes (including applicable interest and penalties) or other governmental charges applicable to the distribution. If (i) the Company does not request the Depositary to make such distribution to Holders or requests not to make such distribution to Holders, (ii) the Depositary does not receive satisfactory documentation within the terms of Section 5.7 of the Deposit Agreement, or (iii) the Depositary determines that all or a portion of such distribution is not reasonably practicable or feasible, the Depositary shall endeavor to sell or cause such property to be sold in a public or private sale, at such place or places and upon such terms as it may deem proper and shall distribute the net proceeds, if any, of such sale received by the Depositary (net of applicable (a) fees and charges of, and expenses incurred by, the Depositary and (b) taxes and governmental charges) to the Holders as of the ADS Record Date upon the terms of Section 4.1 of the Deposit Agreement. If the Depositary is unable to sell such property, the Depositary may dispose of such property in any way it deems reasonably practicable under the circumstances for nominal or no consideration and Holders and Beneficial Owners shall have no rights thereto or arising therefrom.

(14) Fixing of Record Date. Whenever necessary in connection with any distribution (whether in cash, CUFS, rights or other distribution), or whenever for any reason the Depositary causes a change in the number of CUFS that are represented by each ADS, or whenever the Depositary shall receive notice of any meeting of or solicitation of holders of CUFS (or the Shares underlying such CUFS) or other Deposited Securities, or whenever the Depositary shall find it necessary or convenient, the Depositary shall fix a record date ("ADS Record Date") as close as practicable to the record date fixed by the Company with respect to the Shares (if applicable) for the determination of the Holders who shall be entitled to receive such distribution, to give instructions for the exercise of voting rights at any such meeting, or to give or withhold such consent, or to receive such notice or solicitation or to otherwise take action, or to exercise the rights of Holders with respect to such changed number of CUFS represented by each ADS or for any other reason. Subject to applicable law and the terms and conditions of this Receipt and the Deposit Agreement, only the Holders of record at the close of business in New York on such ADS Record Date shall be entitled to receive such distributions, to give such voting instructions, to receive such notice or solicitation, or otherwise take action.

(15) Voting of Deposited Securities. Subject to the next sentence, as soon as practicable after receipt of notice of any meeting at which the holders of CUFS are entitled to vote, or of solicitation of consents or proxies from holders of CUFS or other Deposited Securities, the Depositary shall fix the ADS Record Date in respect of such meeting or solicitation of consent or proxy. The Depositary shall, if requested by the Company in writing in a timely manner (the Depositary having no obligation to take any further action if the request shall not have been received by the Depositary at least 30 days prior to the date of such vote or meeting) and at the Company's expense and provided no U.S. legal prohibitions exist, mail by regular, ordinary mail delivery (or by electronic mail or as otherwise may be agreed between the Company and the Depositary in writing from time to time) or otherwise distribute to Holders as of the ADS Record Date: (a) such notice of meeting or solicitation of consent or proxy; (b) a statement that the Holders at the close of business on the ADS Record Date will be entitled, subject to any applicable law, the Company's constituent documents, the requirements of the CUFS Depositary and the provisions of or governing the Deposited Securities (which provisions, if any, shall be summarized in pertinent part by the Company and/or the CUFS Depositary), to instruct the Depositary as to the exercise of the voting rights, if any, pertaining to the Shares underlying the CUFS or other Deposited Securities represented by such Holder's American Depositary Shares; and (c) a brief statement as to the manner in which such instructions may be given. Voting instructions may be given only in respect of a number of American Depositary Shares representing an integral number of CUFS or other Deposited Securities. Upon the timely receipt of instructions of a Holder on the ADS Record Date of voting instructions in the manner specified by the Depositary, the Depositary shall endeavor, insofar as practicable and permitted under applicable law, the provisions of the Deposit Agreement, the Company's constituent documents, the requirements of the CUFS Depositary and the provisions of or governing the Deposited Securities, to instruct or cause the Custodian to instruct the CUFS Depositary to vote the Shares underlying the CUFS and/or other Deposited Securities (in person or by proxy) represented by American Depositary Shares evidenced by such Receipt in accordance with such voting instructions.

Neither the Depositary nor the Custodian shall, under any circumstances exercise any discretion as to voting, and neither the Depositary nor the Custodian shall instruct the CUSF Depositary to vote, attempt to exercise the right to vote, or in any way make use of for purposes of establishing a quorum or otherwise, the Shares represented by the CUSF or other Deposited Securities represented by American Depositary Shares except pursuant to and in accordance with such written instructions from Holders. Shares underlying CUSF or other Deposited Securities represented by ADSs for which no specific voting instructions are received by the Depositary from the Holder shall not be voted.

Notwithstanding the above, save for applicable provisions of Irish law, and in accordance with the terms of Section 5.3 of the Deposit Agreement, the Depositary shall not be liable for any failure to carry out any instructions to vote any of the Deposited Securities or the manner in which such vote is cast or the effect of any such vote.

There can be no assurance that Holders or Beneficial Owners generally or any Holder or Beneficial Owner in particular will receive the notice described above with sufficient time to enable the Holder to return voting instructions to the Depositary, for the Depositary to instruct the CUSF Depositary or for the CUSF Depositary to vote in a timely manner.

(16) Changes Affecting Deposited Securities. Upon any change in par value, split-up, subdivision cancellation, consolidation or any other reclassification of Deposited Securities, or upon any recapitalization, reorganization, merger, amalgamation or consolidation or sale of assets affecting the Company or to which it is otherwise a party, any securities which shall be received by the Depository or the Custodian in exchange for, or in conversion of or replacement or otherwise in respect of, such Deposited Securities shall, to the extent permitted by law, be treated as new Deposited Securities under the Deposit Agreement, and the Receipts shall, subject to the provisions of the Deposit Agreement and applicable law, evidence American Depositary Shares representing the right to receive such additional securities. Alternatively, the Depository may, with the Company's approval, and shall, if the Company shall so request, subject to the terms of the Deposit Agreement and receipt of an opinion of counsel to the Company, furnished at the expense of the Company, satisfactory to the Depository that such distributions are not in violation of any applicable laws or regulations, execute and Deliver additional Receipts as in the case of a stock dividend on the Shares underlying the CUFS, or call for the surrender of outstanding Receipts to be exchanged for new Receipts, in either case, as well as in the event of newly deposited CUFS, with necessary modifications to the form of Receipt contained in Exhibit A hereto, specifically describing such new Deposited Securities and/or corporate change. The Company agrees to, jointly with the Depository, amend the Registration Statement on Form F-6 as filed with the Commission to permit the issuance of such new form of Receipt. Notwithstanding the foregoing, in the event that any security so received may not be lawfully distributed to some or all Holders, the Depository may, with the Company's approval, and shall, if the Company requests, subject to receipt of an opinion of counsel to the Company, furnished at the expense of the Company, satisfactory to the Depository that such action is not in violation of any applicable laws or regulations, sell such securities at public or private sale, at such place or places and upon such terms as it may deem proper and may allocate the net proceeds of such sales (net of (a) fees and charges of, and expenses incurred by or charged to, the Depository and (b) taxes and/or governmental charges) for the account of the Holders otherwise entitled to such securities upon an averaged or other practicable basis without regard to any distinctions among such Holders and distribute the net proceeds so allocated to the extent practicable as in the case of a distribution received in cash pursuant to the Deposit Agreement. The Depository shall not be responsible for (i) any failure to determine that it may be lawful or feasible to make such securities available to Holders in general or to any Holder in particular, (ii) any foreign exchange exposure or loss incurred in connection with such sale, or (iii) any liability to the purchaser of such securities.

(17) Exoneration. Neither the Depository, the Custodian or the Company shall be obligated to do or perform any act which is inconsistent with the provisions of the Deposit Agreement or shall incur any liability to Holders, Beneficial Owners or any third parties (i) if the Depository, the Custodian, the CUFS Depository or the Company or their respective controlling persons or agents shall be prevented or forbidden from, or subjected to any civil or criminal penalty or restraint on account of, or delayed in, doing or performing any act or thing required by the terms of the Deposit Agreement and this Receipt, by reason of any provision of any present or future law or regulation of the United States or any state thereof, Ireland or any other country, or of any other governmental authority or regulatory authority or stock exchange, or on account of the possible criminal or civil penalties or restraints or by reason of any provision, present or future of the Company's constituent documents or any provision of or governing any Deposited Securities, or by reason of any act of God or war or other circumstances beyond its control, (including, without limitation, nationalization, expropriation, currency restrictions, work stoppage, strikes, civil unrest, revolutions, rebellions, explosions and computer failure), (ii) by reason of any exercise of, or failure to exercise, any discretion provided for in the Deposit Agreement or in the Company's constituent documents or provisions of or governing the CUFS or other Deposited Securities, (iii) for any action or inaction of the Depository, the Custodian, the CUFS Depository or the Company or their respective controlling persons or agents in reliance upon the advice of or information from legal counsel, accountants, any person presenting CUFS for deposit, any Holder, any Beneficial Owner or authorized representative thereof, or any other person believed by it in good faith to be competent to give such advice or information, including, without limitation, in determining if a proposed distribution, action or transaction under Article IV of the Deposit Agreement is lawful, (iv) for any inability by a Holder or Beneficial Owner to benefit from any distribution, offering, right or other benefit which is made available to holders of Deposited Securities but is not, under the terms of the Deposit Agreement, made available to Holders of ADS or (v) for any Special Damages for any breach of the terms of the Deposit Agreement or otherwise. Every Holder and Beneficial Owner agrees to, and shall, indemnify the Depository, the Company, the Custodian and each and every of their respective officers, directors, employees, agents and Affiliates against, and hold each of them harmless from, any claims with respect to taxes, additions to tax (including applicable interest and penalties thereon) arising out of any refund of taxes, reduced rate of withholding at source or other tax benefit obtained for or by such Holder and/or Beneficial Owner. The Depository, its controlling persons, its agents, any Custodian and the Company, its controlling persons and its agents may rely and shall be protected in acting upon any written notice, request, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. Neither the Depository nor the Custodian shall be liable for the failure by any Holder or Beneficial Owner to obtain the benefits of credits on the basis of non-U.S. tax paid against such Holder's or Beneficial Owner's income tax liability. No disclaimer of liability under the Securities Act is intended by any provision of the Deposit Agreement.

(18) Standard of Care. The Company and the Depositary and their respective directors, officers, Affiliates, employees and agents assume no obligation and shall not be subject to any liability under the Deposit Agreement or the Receipts to Holders or Beneficial Owners or other persons (except for the Company's and the Depositary's obligations specifically set forth in Section 5.8 of the Deposit Agreement), provided, that the Company and the Depositary and their respective agents agree to perform their respective obligations specifically set forth in the Deposit Agreement without gross negligence or willful misconduct. Without limitation of the foregoing, neither the Depositary, nor the Company, nor any of their respective controlling persons, directors, officers, Affiliates, employees or agents, shall be under any obligation to appear in, prosecute or defend any action, suit or other proceeding in respect of any Deposited Securities or in respect of this Receipt, which in its opinion may involve it in expense or liability, unless indemnity satisfactory to it against all expenses (including fees and disbursements of counsel) and liabilities be furnished as often as may be required (and no Custodian shall be under any obligation whatsoever with respect to such proceedings, the responsibility of the Custodian being solely to the Depositary). The Depositary and its agents shall not be liable for any failure to carry out any instructions to vote any of the Deposited Securities, or for the manner in which any vote is cast (provided that any such action or omission is in good faith) or the effect of any vote. The Depositary shall not incur any liability for any failure to determine that any distribution or action may be lawful or reasonably practicable, for the content of any information submitted to it by the Company for distribution to the Holders or for any inaccuracy of any translation thereof, for any investment risk associated with acquiring an interest in the Deposited Securities, for the validity or worth of the Deposited Securities or for any tax consequences that may result from the ownership of ADSs, CUFS (or the underlying Shares) or Deposited Securities, for the credit-worthiness of any third party, for allowing any rights to lapse upon the terms of the Deposit Agreement or for the failure or timeliness of any notice from the Company. The Depositary shall not incur any liability for any action or non action by it in reliance upon the opinion, advice of or information from legal counsel, accountants, any person presenting CUFS for deposit, any Holder or any other person believed by it in good faith to be competent to give such advice or information. The Depositary and its agents shall not be liable for any acts or omissions made by a successor depositary whether in connection with a previous act or omission of the Depositary or in connection with any matter arising wholly after the removal or resignation of the Depositary, provided that in connection with the issue out of which such potential liability arises the Depositary performed its obligations without gross negligence or willful misconduct while it acted as Depositary. The Depositary is under no obligation to provide the Holders and Beneficial Owners with any information about the tax status of the Company. The Depositary shall not incur any liability for any tax consequences that may be incurred by Holders and Beneficial Owners on account of their ownership of the American Depositary Shares, including without limitation, tax consequences resulting from the Company (or any of its subsidiaries) being treated as a "Passive Foreign Investment Company" (as defined in the U.S. Internal Revenue Code and the regulations issued thereunder) or otherwise. In no event shall the Depositary or any of its directors, officers, employees, agents (including, without limitation, its Agents) and/or Affiliates, or any of them, be liable for any Special Damages to the Company, Holders, Beneficial Owners or any other person.

(19) Resignation and Removal of the Depository; Appointment of Successor Depository. The Depository may at any time resign as Depository under the Deposit Agreement by written notice of resignation delivered to the Company, such resignation to be effective on the earlier of (i) the 90<sup>th</sup> day after delivery thereof to the Company (whereupon the Depository shall, in the event no successor depository has been appointed by the Company, be entitled to terminate the Deposit Agreement as contemplated under the provisions of the Deposit Agreement), or (ii) upon the appointment by the Company of a successor depository and its acceptance of such appointment as provided in the Deposit Agreement, save that, any amounts, fees, costs or expenses owed to the Depository under the Deposit Agreement or in accordance with any other agreements otherwise agreed in writing between the Company and the Depository from time to time shall be paid to the Depository prior to such resignation. The Company shall use reasonable efforts to appoint such successor depository, and give notice to the Depository of such appointment, not more than 90 days after delivery by the Depository of written notice of resignation as provided in the Deposit Agreement. The Depository may at any time be removed by the Company by written notice of such removal which removal shall be effective on the later of (i) the 90<sup>th</sup> day after delivery thereof to the Depository (whereupon the Depository shall be entitled to terminate the Deposit Agreement as contemplated under the provisions of the Deposit Agreement), or (ii) upon the appointment by the Company of a successor depository and its acceptance of such appointment as provided in the Deposit Agreement save that, any amounts, fees, costs or expenses owed to the Depository under the Deposit Agreement or in accordance with any other agreements otherwise agreed in writing between the Company and the Depository from time to time shall be paid to the Depository prior to such removal. In case at any time the Depository acting hereunder shall resign or be removed, the Company shall use its best efforts to appoint a successor depository which shall be a bank or trust company having an office in the Borough of Manhattan, the City of New York. The Company shall give notice to the Depository of the appointment of a successor depository not more than 90 days after delivery by the Depository of written notice of resignation or by the Company of removal, each as provided in this Article (19) and the Deposit Agreement. In the event that a successor depository is not appointed or notice of the appointment of a successor depository is not provided by the Company in accordance with the preceding sentence, the Depository shall be entitled to terminate the Deposit Agreement as contemplated under the provisions of the Deposit Agreement. Every successor depository shall execute and deliver to its predecessor and to the Company an instrument in writing accepting its appointment hereunder, and thereupon such successor depository, without any further act or deed (except as required by applicable law), shall become fully vested with all the rights, powers, duties and obligations of its predecessor. The predecessor depository, upon payment of all sums due it and on the written request of the Company, shall (i) execute and deliver an instrument transferring to such successor all rights and powers of such predecessor hereunder (other than as contemplated in the Deposit Agreement), (ii) duly assign, transfer and deliver all right, title and interest to the Deposited Securities to such successor, and (iii) deliver to such successor a list of the Holders of all outstanding Receipts and such other information relating to Receipts and Holders thereof as the successor may reasonably request. Any such successor depository shall promptly mail notice of its appointment to such Holders. Any corporation into or with which the Depository may be merged or consolidated shall be the successor of the Depository without the execution or filing of any document or any further act.

(20) Amendment/Supplement. Subject to the terms and conditions of this Article (20), and applicable law, this Receipt and any provisions of the Deposit Agreement may at any time and from time to time be amended or supplemented by written agreement between the Company and the Depository in any respect which they may deem necessary or desirable without the consent of the Holders or Beneficial Owners. Any amendment or supplement which shall impose or increase any fees or charges (other than charges in connection with foreign exchange control regulations, and taxes and/or other governmental charges, delivery and other such expenses), or which shall otherwise materially prejudice any substantial existing right of Holders or Beneficial Owners, shall not, however, become effective as to outstanding Receipts until 30 days after notice of such amendment or supplement shall have been given to the Holders of outstanding Receipts. Notice of any amendment to the Deposit Agreement or form of Receipts shall not need to describe in detail the specific amendments effectuated thereby, and failure to describe the specific amendments in any such notice shall not render such notice invalid, provided, however, that, in each such case, the notice given to the Holders identifies a means for Holders and Beneficial Owners to retrieve or receive the text of such amendment (i.e., upon retrieval from the Commission's, the Depository's or the Company's website or upon request from the Depository). The parties hereto agree that any amendments or supplements which (i) are reasonably necessary (as agreed by the Company and the Depository) in order for (a) the ADSs to be registered on Form F-6 under the Securities Act or (b) the ADSs or CUFs to be traded solely in electronic book-entry form and (ii) do not in either such case impose or increase any fees or charges to be borne by Holders, shall be deemed not to materially prejudice any substantial rights of Holders or Beneficial Owners. Every Holder and Beneficial Owner at the time any amendment or supplement so becomes effective shall be deemed, by continuing to hold such ADS, to consent and agree to such amendment or supplement and to be bound by the Deposit Agreement as amended or supplemented thereby. In no event shall any amendment or supplement impair the right of the Holder to surrender such Receipt and receive therefor the Deposited Securities represented thereby, except in order to comply with mandatory provisions of applicable law. Notwithstanding the foregoing, if any governmental body should adopt new laws, rules or regulations which would require amendment or supplement of the Deposit Agreement to ensure compliance therewith, the Company and the Depository may amend or supplement the Deposit Agreement and the Receipt at any time in accordance with such changed laws, rules or regulations. Such amendment or supplement to the Deposit Agreement in such circumstances may become effective before a notice of such amendment or supplement is given to Holders or within any other period of time as required for compliance with such laws, or rules or regulations.

(21) Termination. The Depositary shall, at any time at the written direction of the Company, terminate the Deposit Agreement by mailing notice of such termination to the Holders of all Receipts then outstanding at least 90 days prior to the date fixed in such notice for such termination provided that, the Depositary shall be reimbursed for any amounts, fees, costs or expenses owed to it in accordance with the terms of the Deposit Agreement and in accordance with any other agreements as otherwise agreed in writing between the Company and the Depositary from time to time, before such termination shall take effect. If 90 days shall have expired after (i) the Depositary shall have delivered to the Company a written notice of its election to resign, or (ii) the Company shall have delivered to the Depositary a written notice of the removal of the Depositary, and in either case a successor depositary shall not have been appointed and accepted its appointment as provided herein and in the Deposit Agreement, the Depositary may terminate the Deposit Agreement by mailing notice of such termination to the Holders of all Receipts then outstanding at least 30 days prior to the date fixed for such termination. On and after the date of termination of the Deposit Agreement, the Holder will, upon surrender of such Holder's Receipt at the Principal Office of the Depositary, upon the payment of the charges of the Depositary for the surrender of Receipts referred to in Article (2) hereof and in the Deposit Agreement and subject to the conditions and restrictions therein set forth, and upon payment of any applicable taxes and/or governmental charges, be entitled to delivery, to him or upon his order, of the amount of Deposited Securities represented by such Receipt. If any Receipts shall remain outstanding after the date of termination of the Deposit Agreement, the Registrar thereafter shall discontinue the registration of transfers of Receipts, and the Depositary shall suspend the distribution of dividends to the Holders thereof, and shall not give any further notices or perform any further acts under the Deposit Agreement, except that the Depositary shall continue to collect dividends and other distributions pertaining to Deposited Securities, shall sell rights as provided in the Deposit Agreement, and shall continue to deliver Deposited Securities, subject to the conditions and restrictions set forth in the Deposit Agreement, together with any dividends or other distributions received with respect thereto and the net proceeds of the sale of any rights or other property, in exchange for Receipts surrendered to the Depositary (after deducting, or charging, as the case may be, in each case the charges of the Depositary for the surrender of a Receipt, any expenses for the account of the Holder in accordance with the terms and conditions of the Deposit Agreement and any applicable taxes and/or governmental charges or assessments). At any time after the expiration of six months from the date of termination of the Deposit Agreement, the Depositary may sell the Deposited Securities then held hereunder and may thereafter hold uninvested the net proceeds of any such sale, together with any other cash then held by it hereunder, in an unsegregated account, without liability for interest for the pro rata benefit of the Holders of Receipts whose Receipts have not theretofore been surrendered. After making such sale, the Depositary shall be discharged from all obligations under the Deposit Agreement with respect to the Receipts and the CUFS, Deposited Securities and ADSs, except to account for such net proceeds and other cash (after deducting, or charging, as the case may be, in each case the charges of the Depositary for the surrender of a Receipt, any expenses for the account of the Holder in accordance with the terms and conditions of the Deposit Agreement and any applicable taxes and/or governmental charges or assessments). Upon the termination of the Deposit Agreement, the Company shall be discharged from all obligations under the Deposit Agreement except as set forth in the Deposit Agreement. The obligations under the terms of the Deposit Agreement and Receipts of Holders and Beneficial Owners of ADSs outstanding as of the effective date of any termination shall survive such effective date of termination and shall be discharged only when the applicable ADSs are presented by their Holders to the Depositary for cancellation under the terms of the Deposit Agreement and the Holders have each satisfied any and all of their obligations hereunder (including, but not limited to, any payment and/or reimbursement obligations which relate to prior to the effective date of termination but which payment and/or reimbursement is claimed after such effective date of termination).

(22) Compliance with U.S. Securities Laws; Regulatory Compliance. Notwithstanding any provisions in this Receipt or the Deposit Agreement to the contrary, the withdrawal or delivery of Deposited Securities will not be suspended by the Company or the Depository except as would be permitted by Instruction I.A.(1) of the General Instructions to the Form F-6 Registration Statement, as amended from time to time, under the Securities Act.

(23) Certain Rights of the Depository; Limitations. Subject to the further terms and provisions of this Article (23), the Depository, its Affiliates and their agents, on their own behalf, may own and deal in any class of securities of the Company and its Affiliates and in ADSs. The Depository may issue ADSs against evidence of rights to receive CUFSs from the CUFF Depository or Shares from the Company or any agent of the CUFF Depository or Company or any custodian, registrar, transfer agent, clearing agency or other entity involved in ownership or transaction records in respect of the CUFS or Shares. In its capacity as Depository, the Depository may (i) issue ADSs prior to the receipt of CUFS (each such transaction a "Pre-Release Transaction) pursuant to Section 2.3 of the Deposit Agreement and (ii) deliver CUFS upon the receipt and cancellation of ADSs that were issued in a Pre-Release Transaction, but for which CUFS may not have been received. The Depository may receive ADSs in lieu of CUFS under (i) above and receive CUFS in lieu of ADSs under (ii) above. Each such Pre-Release Transaction will be (a) subject to a written agreement whereby the person or entity (the "Applicant") to whom ADSs or CUFS are to be Delivered (1) represents that at the time of the Pre-Release Transaction the Applicant or its customer owns the CUFS or ADSs that are to be Delivered by the Applicant under such Pre-Release Transaction, (2) agrees to indicate the Depository as owner of such CUFS or ADSs in its records and to hold such CUFS or ADSs in trust for the Depository until such CUFS or ADSs are delivered to the Depository or the Custodian, (3) unconditionally guarantees to deliver to the Depository or the Custodian, as applicable, such CUFS or ADSs and (4) agrees to any additional restrictions or requirements that the Depository deems appropriate; (b) at all times fully collateralized with cash, U.S. government securities or such other collateral as the Depository deems appropriate; (c) terminable by the Depository on not more than five (5) Business Days' notice; and (d) subject to such further indemnities and credit regulations as the Depository deems appropriate. The Depository will normally limit the number of ADSs and CUFS involved in such Pre-Release Transactions at any one time to thirty percent (30%) of the ADSs outstanding (without giving effect to ADSs outstanding under (i) above), provided, however, that the Depository reserves the right to disregard such limit from time to time as it deems appropriate. The Depository may also set limits with respect to the number of ADSs and CUFS involved in Pre-Release Transactions with any one person on a case by case basis as it deems appropriate. The Depository may retain for its own account any compensation received by it in conjunction with the foregoing. Collateral provided pursuant to (b) above, but not earnings thereon, shall be held for the benefit of the Holders (other than the Applicant).

(24) Ownership Restrictions. Holders and Beneficial Owners shall comply with any limitations on ownership of CUFS, Shares under the constituent documents of the Company or applicable law as if they held the number of CUFS their ADSs represent. The Company shall inform the Holders, Beneficial Owners and the Depository of any such ownership restrictions in place from time to time.

(25) Waiver: Jurisdiction. EACH PARTY TO THE DEPOSIT AGREEMENT (INCLUDING, FOR AVOIDANCE OF DOUBT, EACH HOLDER AND BENEFICIAL OWNER AND/OR HOLDER OF INTERESTS IN ADRS) HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY SUIT, ACTION OR PROCEEDING AGAINST THE DEPOSITARY AND/OR THE COMPANY DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THE CUFS OR OTHER DEPOSITED SECURITIES, THE ADSs OR THE ADRs, THE DEPOSIT AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREIN OR THEREIN, OR THE BREACH HEREOF OR THEREOF (WHETHER BASED ON CONTRACT, TORT, COMMON LAW OR ANY OTHER THEORY).

By holding a Receipt or American Depositary Share or an interest therein, Holders and Beneficial Owners each unconditionally and irrevocably agree that any legal suit, action or proceeding against or involving the Company or the Depository, arising out of or based upon this Deposit Agreement or the transactions contemplated hereby, may only be instituted in a state or federal court in New York, New York, and by holding a Receipt or American Depositary Share or an interest therein each irrevocably waives any objection which it may now or hereafter have to the laying of venue of any such proceeding, and irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action or proceeding.

(26) Summary in Respect of CHES and CUFS The American Depositary Shares represent deposited CUFS. The following is a summary description of CHES and CUFS as prepared by the Company:

#### CHES

CHES facilitates the transfer of legal title and settlement of market transactions in Australia with an electronic subregister system. CHES, insofar as it facilitates settlement of transactions in respect of CUFS, is operated by ASX Settlement Pty Limited (herein called ASX Settlement) and allows title to be validly transferred electronically by virtue of provisions in the Australian Corporations Act 2001 (herein called the Australian Corporations Act) and the ASX Settlement Rules. Shares of the Company cannot be directly transferred and held through CHES, but may be transferred and held indirectly in CHES through the issue of CUFS.

#### CUFS

CUFS are a unit of beneficial ownership in a security of a foreign issuer, registered in the name of the depositary nominee. The depositary nominee for the Company is CHES Depositary Nominees Pty Limited (herein called the CUFS Depositary). The CUFS Depositary is a subsidiary of ASX Limited (herein called the ASX). The principal executive office of the CUFS Depositary is located as of the date of the Deposit Agreement at Level 8, 20 Bridge Street, Sydney NSW 2000, Australia.

The Articles of Association of the Company, together with the laws of Ireland where the Company is incorporated, contain certain provisions that are relevant to CUFS holders, including, without limitation, any provisions therein relating to substantial shareholdings and any provisions therein relating to a change in control of the Company. In addition, the terms and conditions relating to CUFS are determined in accordance with the Australian Corporations Act and the ASX Settlement Rules. Those principal terms and conditions are briefly described as follows:

(i) Title to CUFS

Each CUFS represents a unit of beneficial ownership in one Share. Legal title to the underlying Shares will be held by the CUFS Depositary on behalf and for the benefit of CUFS holders.

(ii) Voting

CUFS holders are entitled to direct the CUFS Depositary as to how to exercise the voting rights with respect to the underlying Shares represented by the CUFS.

(iii) Economic Entitlements

CUFS holders are entitled to receive from the Company directly all dividends, bonus issues, rights issues and any other economic entitlements in respect of the underlying Shares represented by the CUFS as if they were the legal owners of the Shares, to the extent permitted by the laws of the place of the Company's incorporation.

(iv) Fees

The CUFS Depository shall charge no fees or expenses to the CUFS holder for its services. In the event fees or expenses are accrued in connection with the services provided by the CUFS Depository, such fees and expenses shall be paid by the Company to the CUFS Depository.

(v) Immobilization of Shares

The certificate issued to the CUFS Depository as evidence of its legal title to Shares is held by the Company for safekeeping. The CUFS Depository may not create any interest (including a security interest) which is inconsistent with its title to the Shares and the interests of the holders of CUFS in respect of Shares unless authorized by the ASX Settlement Rules.

(vi) Evidence of Ownership

The holders of CUFS will not receive physical certificates. The Company will register the Shares in the name of the CUFS Depository and the CUFS Depository will create uncertificated CUFS holdings in the names of the holders. Statements of beneficial ownership will be issued to all CUFS holders, including to the Custodian, on behalf of holders of Receipts.

CUFS holders who are sponsored by brokers or non-brokers that participate in CHESSE will receive periodic Holding Statements. The Custodian, as a sponsored CUFS holder, shall receive periodic Holding Statements. ASX Settlement will issue the Holding Statements on behalf of the CUFS Depository. CUFS holders who are sponsored by the Company will receive uncertificated holding statements from the Company's Australian registry on behalf of the CUFS Depository.

(vii) Converting CUFS to Shares

A holder of CUFS in CHESSE who wishes to convert CUFS to Shares of the Company can do so by instructing its sponsoring CHESSE participant (ie, broker or non-broker participant). The participant transmits a CHESSE message to the Company's registry instructing the registry to transfer the Shares from the CUFS Depository into the name of the holder. The transfer is effected by a written instrument signed by the CUFS Depository, as transferor, and the CUFS holder, as transferee, to which instrument the Company is a signatory or which instrument is served upon, or acknowledged by, the Company. The Company will then record the holder as registered owner of the Shares on the shareholder register and will, if required, issue a certificate to the holder. Holders should note that Shares (as opposed to CUFS) cannot be held or transferred on the ASX via CHESSE.

Holders of Shares who wish to convert Shares back to CUFS in CHESSE, can do so by lodging the Share certificate, if applicable, with their sponsoring CHESSE participant and signing the seller side of an Australian standard transfer form. The participant lodges the Share certificate and transfer form with the Company's registry and transmits a CHESSE message to the Company's registry instructing the registry to establish a CHESSE holding. The registry then transfers the securities from the holder's name into the name of the CUFS Depository and establishes a CUFS holding in the name of the holder. ASX Settlement, on behalf of the CUFS Depository, issues a Holding Statement to the CUFS holders.
